

Celebrating our 8th year, Colorado River Fair Farm Olympics presents the Troy Love's Farm Olympics. Our community lost Troy in 2022. Troy made it his mission to help his community in every way possible.

Troy started the Olympics in 2016, it's our mission to keep his dream alive.

Associate your business with one of the biggest community events in Blythe.

Folks come from all over to enjoy our Farm Olympics.

Participating as a sponsor is not only an opportunity to market your business and have fun, it's about giving back to the community and creating opportunities for our youth.

When you join as a sponsor, Troy Love's Farm Olympics donates back to the community.

We have been able to provide multiple scholarships to our high school's graduating seniors as well providing school supplies for our community.
