

Celebrating our 6th year, Colorado River Fair presents Troy Love's Farm Olympics. Our community lost Troy in 2022. Troy made it his mission to help his community in every way possible. Troy started the Olympics in 2015; it's our mission to keep his dream alive.

Associate your business with one of the biggest community events in Blythe. Folks come from all over to attend our fair, racetrack, junior livestock show, Olympics, and more!

Participating as a sponsor is not only an opportunity to market your business and have fun, it's about giving back to a community and creating opportunities for youth. When you join as a sponsor, Troy Love's Farm Olympics donates back our community.

Last year we were able to create multiple scholarship opportunities and back to school supplies for our community.
