

PROFESSIONAL 5-YEAR WARRANTY WORKMANSHIP

PRO Painting & Remodeling, we proudly offer a 5-year warranty that covers both labor and materials. If any paint failure occurs within five years of completion, we will provide the necessary labor and materials to correct the issue at no additional cost. This warranty is in lieu of all other warranties, expressed or implied, and is limited to correcting the specific paint failure.

Please note, this warranty excludes damages caused by accident, abuse, temperature changes, settlement, or moisture, such as cracks resulting from expansion or contraction, and discoloration caused by dirt or other particles. Cracks will be properly prepared at the time of the job, but are not covered by this warranty. Additionally, this warranty does not apply to all exterior horizontal surfaces, including porches and decks.
