FIDDY RACES AT DEAL'S GAP

50cc races (aka "Fiddies") at Deal's Gap is a "do not miss" racing circuit that takes place at Deal's Gap. Come and support our own, John Morin and Seth Zacharias at the races!

We will also have your merch if you haven't picked it up yet. Merchandise available for pickup at the races from 7p-10p.

The large firepit will be going and there will be a DJ pumping out the tunes. This is always a great time. Make sure you arrive for the races with plenty of fuel to get back. The pumps will not be open.

The Dragon is very dark and can be dangerous at night coming back from the races. Travel with caution!
