**Pair a Caesar Salad with an Espresso Martini for the WIN**

**“I’m sick of cooking but I’m starving!”**

**“Look at this salad! Chilled Romaine so fresh and crisp you can *hear* the crunch, tossed in a creamy, zesty Caesar dressing, topped with shavings of sharp Parmesan & golden rustic croutons.”**

**“Ouu sounds so refreshing! Can I add a protein?”**

**“Heck yeah, amp it up with your choice of shrimp, ahi tuna, crabcake or chicken.”**

**“I’m so down!”**
