

Dear Potential Sponsor,

June 1, 2018

On September 29, 2018 in beautiful Brambleton, Virginia, two and four-legged athletes will race to **Crush Cancer at Both Ends of the Leash** in the 2<sup>nd</sup> Annual [Two By Four Race Against Childhood & Canine Cancer](#). The race, hosted by the **Canines-N-Kids Foundation** and **Smashing Walnuts Foundation** brings together our Loudoun community and beyond, including runners, the childhood cancer community, dog lovers, families, running clubs, Girl and Cub Scouts, and school and community volunteer organizations in a unique one-of-a-kind event.

**We need your help!** We are reaching out to businesses in the community to sponsor and support us in the effort to raise awareness and funds for potentially lifesaving cancer research that may one day result in better medicines and a cure for both kids and man's best friend. We are thrilled also that the *Two By Four* is a part of the Race Brambleton series, which year after year attracts a dedicated following of runners and participants from all over our region to its races.

**WHO WE ARE:** We are two local, but nationally focused, non-profits located in Loudoun County, Virginia. We are proud to partner to send a powerful message that collaboration will be the key to cracking cancer -particularly difficult childhood and canine cancers that to date have had limited attention and funding.

[Canines-N-Kids Foundation](#) is dedicated to ending the devastating cancers that develop spontaneously in both kids and dogs (osteosarcoma, certain brain/central nervous system cancers, lymph and blood cancers). We focus on raising awareness of the promise of comparative oncology - studying and treating cancer in man's best friend to better understand and treat cancer in children - and to raising funds for well-directed and constructed translational and clinical research that can help both of these vulnerable populations.

[Smashing Walnuts Foundation](#) is dedicated to finding cures for childhood brain cancers by funding scientific research and clinical trials, as well as raising funds for lobbying and directing resources to develop better treatment protocols. We partner with government organizations, lawmakers, businesses, nonprofits, communities and children who share our goal.

**WHAT WE NEED: YOU!** By sponsoring the **Two By Four Race**, you can make a real impact! Tax-deductible (Tax ID# 81-2768684) sponsorships can accommodate a range of budgets. If a cash sponsorship is not possible, please consider making an in-kind contribution for services, merchandise, a gift card, etc. Your generosity is appreciated and will be acknowledged leading up to and through Race Day! Please review our sponsorship packages and join us in supporting these two amazing Foundations.

**WHAT YOUR SPONSORSHIP SUPPORTS:** Nearly 16,000 US children and some 6,000,000 four-legged family members develop cancer every year - many of the same types of cancer! For kids, there is precious little funding behind a cure and for man's best friend, the situation is not much better. By bringing together pediatric and veterinary cancer researchers to solve shared cancers, and translating those results to speed new treatments, we can move the needle for both! **100% of *Two By Four* net proceeds will go to advance potentially lifesaving translational cancer research to fight shared cancers** in children and our beloved canine companions.

**PLEASE BECOME A SPONSOR:** Kindly complete and mail the Sponsorship Agreement Form, along with payment payable to **Canines-N-Kids Foundation, 25050 Riding Plaza #130-120 South Riding, VA 20152**. In addition, please email your camera-ready, company logo to [TwoByFourRace@gmail.com](mailto:TwoByFourRace@gmail.com) with your company's full name and the words "Two By Four Sponsor Logo" on the subject line. Thank you for your support. We're looking forward to a fun and successful event! If you have any questions, please contact us at 703-835-4346 or [uszalay@caninesnkids.org](mailto:uszalay@caninesnkids.org)

With sincere thanks,

Ulrike Szalay, Founding Executive Director of Canine-N-Kids Foundation  
Ellyn Miller, Founder, President of Smashing Walnuts Foundation
