MOMAR Enterprise

Capability Statement

- ▶ Surveying roofs and land for insurances using drones:
- ▶ Orchestrating fitness routines for LA Fitness and Crunch Fitness: planning and coordinating various workout programs, ensuring they meet the needs and preferences of the clients.
- ▶ Orchestrated landscapers in communities for tree trimming. Coordinating with landscapers, scheduling the trimming activities, and ensuring proper maintenance of trees in different areas.
- ▶ Setting up live entertainment for events: organizing performers, coordinating equipment setup, and ensuring a smooth flow of entertainment during the events.

CORE COMPETENCIES

MOMAR Enterprise has an extensive network of suppliers and manufacturers across various industries. We assist government agencies in sourcing and procuring diverse product offerings, ranging from office supplies to specialized equipment, ensuring high-quality products at competitive prices.

We provide contract management services to ensure smooth execution and compliance throughout the project lifecycle. Our team monitors contract performance, manages documentation, and mitigates risks, ensuring successful completion of government contracts.
