WATER DISTRICT #65 RENTAL POOL
PRIVATE LEASE AGREEMENT
This agreement (if for in-basin) must be submitted by May 1st of the year that it will affect to be considered for approval by the committee.

_____ (lessor) agrees to lease _____ acre-feet of storage to _____(lessee) for the 20____ irrigation season at a price of $_____ according to the rules and regulations contained in the Water District #65 Rental Pool Procedures.

Description of Lease:

Name of River or Stream from which lease is diverted:_____
Canal or Pump Name and location: _____
Place of Use description: _____
Water Right Appurtenant to Lands: _____

An Idaho Water Resources Board surcharge (10% of the purchase price) plus a per acre-foot administrative fee set by the Rental Pool Committee for the year listed above must be received by Water District #65 prior to the approval of the storage lease).

If this is an out-of-basin lease and the reservoir storage system fails to fill in the season following the year leased, the lessor's storage allocation shall be reduced by the amount leased to offset any impacts to other spaceholders' storage accruals according to the approved Water District #65 Rental Pool Procedures pursuant to Idaho Code Section 42-1765. The lessor understands the net effect of this rule is to make an amount of the lessor's space (equal to the amount leased) last-to-fill in the reservoir system for the irrigation season following the lease.

If the leased storage is diverted by a diversion outside the area regulated by Water District #65, the applicant, by signing this agreement agrees to report to the Watermaster of the water district containing the diversion, the daily amounts of leased storage diverted during the year. The Watermaster of that district must then report to the Water District #65 Watermaster the daily rental diverted by November 15th. Failure to report the daily rental diversion may result in the rental not being delivered in Water District #65's final rental delivery records.
