Committee members discussed assisting the Town of Colfax with storm clean up by sending the litter getter to pick up limbs throughout the town. All agreed to assisting the town but there was a debate as to whether municipalities should be charged for the use of the equipment and/or parish employee labor. Members agreed to allow the Secretary-Treasurer to research past meeting minutes as this matter had been voted on in the past. Once the matter of whether to charge is answered, the parish will assist the Town of Colfax.

Members discussed the need for a new vehicle for the Coroner's Office. The Secretary-Treasurer will request price quotes and estimates from the Coroner and it will be placed on the July agenda for further discussion.

Members discussed how to disburse \$3,949,784.00 received by LADOTD for accepting ownership of three small state highways into the parish maintenance system. Per Resolution 2-2022, the funds may only be expended on activities allowed under R.S. 48:753. All agreed to allocate \$3,600,000.00 to the Capital Improvement Fund and \$349,000.00 to the Road Fund.

Motion by Mr. Roy Edwards, seconded by Mr. Brandon DuBois to adjourn. Motion carried unanimously.
