## Parish of Grant In the Name and By the Authority of The Police Jury of Grant Parish

Motion by Mr. Johnny Jamison, seconded by Mr. Roy Edwards and carried  
to adopt the following Resolution:

### RESOLUTION:14-2025

BY

THE PRESIDENT AND JURY  
GRANT PARISH POLICE JURY, LOUISIANA

**WHEREAS**, the Grant Parish Police Jury intends to submit an FY 2026/2027 Application for funding under the LCDBG Program for Public Facilities; and,

**WHEREAS**, the LCDBG regulations provide that the "cost effectiveness" ranking item can be improved if an applicant agrees to pay for all related non-construction fees; including topographical surveys, geotechnical investigations, engineering services, observation of construction, etc.; and,

**WHEREAS**, because of the competitive nature of the LCDBG Program, it is believed that, as a strategy to improve the Jury's rating for grant funds, it is advisable to make the financial commitment to locally provide the funds for these costs and thereby utilizing LCDBG grant funds, if awarded, only for construction costs; and,

**WHEREAS**, it is estimated that the expenses that are non-construction and related to the technical services required for a LCDBG grant would total approximately 15% of the amount of grant funds awarded; excluding grant administration and technical assistance services, which are considered as a separate category in the LCDBG Program.

**NOW THEREFORE BE IT RESOLVED**, that the Jury hereby obligates and commits, as part of the LCDBG application process, to pay for engineering, observation of construction, topographic survey, geotechnical investigations, and miscellaneous related costs, all in an effort to raise the competitiveness of the Jury's LCDBG application by improving the Application's cost effectiveness; and,

**BE IT FURTHER RESOLVED**, that Pan American Engineers, LLC is hereby selected to provide the required engineering services for fees in accordance with LCDBG guidelines; and,

**BE IT FURTHER RESOLVED**, that the President is hereby directed to include a copy of this resolution in the project file related to the LCDBG application to serve as documentation as to the Jury's commitment to obligate itself to pay for all related non-construction fees; including topographical surveys, geotechnical investigations, engineering services, observation of construction, etc. utilizing local funds, when and if the LCDBG Grant Application is awarded.

Passed, approved and adopted this 8<sup>th</sup> day of May, 2025.
