## INDUSTRIES

### **PRODUCT SPECIFICATIONS** BENCH/DESKTOP DIVIDERS

AZTEC Bench/Desktop Dividers are a great, affordable solution for benching large tables. Dividers can be made tackable as well. Our mounting solution uses a robust heavy-duty steel bracket that is hidden inside the panel. Edges are self-edged fabric. Other edge treatments including fabric wrapped T-moldings and powder coated steel frames are available.

#### SPECIFICATIONS

##### **Inner Construction**

Mineral Board with a 22-28 PCF density range.
