

MDLIVE

Avoid the wait.

**Your life is 24/7.
Now your doctor is too.**

Great News – You Have a
New Healthcare Benefit!

ACTIVATE!

Tired of scheduling appointments and waiting days to see a doctor? Sick of the inconvenience and cost? That's why we created MDLIVE – and it's now available to you as a healthcare benefit.

- See a board-certified doctor with 15+ years' experience via secure video, MDLIVE App, or phone – anytime, from anywhere
- Family members are eligible, and pediatricians are available 24/7
- Average wait time is less than 10 minutes
- See a state-licensed therapist via secure video by appointment

We treat these non-emergency conditions:

Medical

- Cold / Flu
- Prescriptions (if needed)
- Respiratory problems
- And more

Behavioral Health

- Addictions
- Depression
- Stress
- And more

[Activation](#) is quick and easy. Your personal registration page has already been pre-populated with data so all you have to do is verify that it's correct. Do it today to start taking advantage of your new, convenient healthcare benefit. If you have questions, please call the MDLIVE health service center at [+1 \(800\) 400 MDLIVE](#).
