

What do most people forget
when they go out for a night of fun?

**BEMYDD**[®]
We Drive Your Car, So You Don't Have To*

Their designated driver!

BeMyDD offers an affordable alternative to ridesharing services; unlike a taxi or limo service, we drive your car, so you don't have to.

PERSONAL DRIVER – Booked in advance, a professional driver will pick you up at your home and chauffeur you in your car anywhere you want to go. The driver waits for you and also takes you home (\$14-\$19.50/hr depending on geography).*

PICK-UP – If you've driven to a location and don't want to drive home, we'll dispatch two drivers: one to drive you home in your car and a second to retrieve the BeMyDD driver (\$25 + mileage).*

Our drivers are background screened and interviewed, have 10+ years professional driving experience and are fully insured up to \$2 million per trip by BeMyDD.

* No surcharges or hidden fees.
