Professional Supervision Services

We provide remote supervision through a confidential platform, ensuring that your team has protected one-on-one time to facilitate honest communication. This service aligns with the 'well-led' criteria, empowering staff to engage in a culture of openness and support.

HR Support

Our extensive assistance covers recruitment, onboarding, induction, supervision, and disciplinary matters, helping you build and maintain a strong and effective workforce.

Consultancy Services

Acting as trusted 'thinking partners' for Registered Managers, we specialise in promoting team happiness through ongoing feedback and supervision strategies.

Specialist Incident Support

In the wake of incidents, our impartial resources can provide valuable assistance to your team. We conduct thorough root cause analyses, delivering actionable reports that drive quality improvement and development.

Internal Compliance Visits

We offer onsite visits to help Registered Managers maintain compliance standards effectively. Our detailed reports provide insights and recommendations to support regulatory adherence.

Competency Assessments for Carers and Nurses

We ensure your workforce meets the highest professional standards by conducting robust competency assessments, promoting excellence in care delivery.

eLearning Suite

Our accessible online training modules are designed to fit seamlessly into your team's busy schedules, providing comprehensive education at their convenience.

Face-to-Face Training at All Levels

Our tailored training workshops cultivate confidence, competence, and a positively supportive work environment, fostering professional growth across your organisation.

ILM Leadership and Management Training

Equip your leaders with essential management skills, empowering them to drive their teams towards excellence.
