Below is a highlight of information about the Assisted Living Waiver Program (ALWP). I have included contact information for the different agencies and their representatives that can assist you. At the bottom of this email is the link to the Assisted Living Waiver Program.

ALW eligible individuals are those who are enrolled in Medi-Cal and meet the level of care provided in a nursing facility due to their medical needs. Individuals with Medi-Cal benefits that include a share of cost may not enroll in the ALW

The goal of the ALW is to: 1) facilitate a safe and timely transition of Medi-Cal eligible seniors and persons with disabilities from a nursing facility to a community home-like setting in a Residential Care Facility (RCF), 2) Determination of care needs is done by registered nurses employed by a Care Coordination Agency (CCA).
