

HEAD PROTOCOL

Patches Needed:

Glutathione,
Energy Enhancer
Y-Age = Aeon

HEAD PROTOCOL

Note:

You can attach the patches to the (inside) of a baseball cap or skull cap (in the appropriate positioning) (taping it inside the hat) and wear it all day (unnoticeable) OR just stick them on your head when your at home.

Patch Placement

Energy Enhancer

- #1 (white) > on forehead
- #2 (tan) > back of head
- #3 (white) > above right ear
- #4 (tan) > above left ear.

Glutathione

- #5 (white) on top of head

Y-age = Aeon

- #6 (white) place it on top of the Glutathione patch atop your head.
