

Thank you for your inquiry!

It is an honor to assist you on your path of health and wholeness.  
Please read through the following instructions for sending in a sample.

Your Sample:

Hair:

At least 6 strands are needed. Please cut from the back of the neck, no need to pull from the root, dyed hair is ok.

Saliva:

Please swab inside of cheek with Q-tip.

Place hair or saliva sample in sealed Ziploc type bag with first and last name on it.

Place in envelope and mail with any other supplements or medications for testing.

Supplements & Medications & Drinking Water:

If you are currently taking any medications or supplements you would like tested for biocompatibility, please send in for testing.

For tablets, capsules, etc: Enclose one per Ziploc-type sealed bag with label on it.

Example: Vitamin C 1,000mg Nature's Way

For liquids & drinking water: Place a few drops on a Q-tip and place inside labeled Zip-loc type sealed bag with label on it.

Example: Liquid Vitamin C 1,000mg Nature's Way

For powders: Place a small sprinkle inside labeled Ziploc-type sealed bag with label on it.

Example: Powdered Vitamin C 1,000mg Nature's Way or Tap/Well Water

Please Enclose:

-Samples (hair or saliva, supplements and medications).

-Full name, date of birth, phone number, mailing address and email.

Mail to:
