

HEALTH WATCH

NUT FREE ZONE

rbGROWkids is a nut free zone due to children with severe allergies to nuts. Some children can have a severe reaction even if they come in contact with someone who has a nut product on their skin. Please do not bring any nut products to GROW. If your child has eaten a nut product, please wash their hands and face at home before coming to GROW.

KEEP YOUR CHILD HOME

Please keep your child home if:

- Fever greater than 100 degrees in the last 24 hours
- Rash associated with fever
- Vomiting or diarrhea in the last 24 hours
- A harsh frequent cough
- Draining wound or rash
- Ear discharge or other evidence of ear infection
- Eye discharge or "pinkeye"

Children must be free of fever and vomiting for 24 hours and/or completed a full 24 hours of antibiotic treatment before coming to rbGROWkids.

We appreciate your help in ensuring the health of our kids and staff!
