

## **PROGRAM POLICIES**

1. Sign in your child, and take them to their assigned area.
2. All shirts and Bibles should be clearly marked with the child's name.
3. Children who show signs of illness, such as a high temperature, cannot be accepted into class. This is for the benefit of the other children, and our workers.
4. NO medication of any kind will be given by a worker. If a child must have medications, such as allergy medicine, it must be kept with the parent until needed, and then given by the parent. (An exception will be made if the child has an Epi Pen)
5. **Children should be picked up immediately at the close of rbcGROWkids,** unless the Director is notified beforehand. Sometimes even a well-adjusted child will become fearful or anxious if they are left after the other children have gone.
6. No student will be allowed to leave the classroom without a parent/Guardian
7. All GROW students need to be walked into the building and picked up from inside the building.
