

## EYE OF THE LORD IN CURRENT EVENTS

For those of you who have never prayed with this ministry or understand what we are about, this page may seem strange to you. It is an intercessory prayer page. Our Lord has an eye in prayer which we, as humans, do not have unless He gives it to us. This page, as it updates, will share items to pray for, which we may know nothing about yet.

For those of you who are not Christian and you landed on this page, click on the 'Jesus' Tab at the bottom of this page. That page will help you more than this page will. Click on the Prayer Request/Contact Us button and we can pray with and for you.

After witnessing what we have for the last 80 plus days, I think all of us can thank Jesus that we have President, Donald Trump. I knew they were bankrupting America, but I had no idea how quickly. I also did not believe the socialists would risk their own arrests. It's quite possible they still believe they can get away with it. We are praying for their arrest. We pray for Trump's success and the success of his cabinet members in each of their departments. We pray for their safety and protection and the safety and protection of all federal workers doing their jobs with integrity.

Unfortunately, we have some real problems to solve that have been self-inflicted by the previous administration. The socialists/communists within our government believe they will take over the world, thereby ushering in the anti-christ; we have to remember that God has seen this already and He has a plan. God, in His infinite mercy and understanding, is just waiting for every last one of them to become trapped in the noose He is hanging. Many believe He is so merciful that He will let them slide. No, He will not. Their time for repentance is getting shorter every day.

We pray for the success of DOGE and that they find all the waste, fraud and abuse they are able to find and bring the government back into compliance with truth and honesty. I've asked everyone to pray to avert

real war with China, Taiwan, Israel and her neighbors, America as well as ending the war between Ukraine and Russia. The next war I'm asking that we pray concerning is any economic warfare between every country on the planet and the United States. That any form of economic warfare ceases. Lastly, I would ask that we pray that all forms of non-kinetic warfare stops between the U.S. and any other country around the world. If countries refuse to cease such warfare and we have no choice as a country but to fight, that the Lord helps the U.S. to win.

We also are praying that all illegals are removed from the country and the adverse effects of their stay is ameliorated. We are also praying that all forms of law-fare against Trump and his administration cease.

Right now our brothers and sisters in the Middle East are being persecuted and murdered. Please come before the Lord for the murderous actions of their enemies to stop.
