

EYE OF THE LORD IN CURRENT EVENTS

For those of you who have never prayed with this ministry or understand what we are about, this page may seem strange to you. It is an intercessory prayer page. Our Lord has an eye in prayer which we, as humans, do not have unless He gives it to us. This page, as it updates, will share items to pray for, which we may know nothing about yet.

For those of you who are not Christian and you landed on this page, click on the 'Who is Jesus' button. That page will help you more than this page will. Click on the Prayer Request/Contact Us button and we can pray with and for you.

Last month we did something quite different from what we normally do on this page. Usually, we share prayer needs for the country as the Lord tells us to. They have been shared with the intercessors here in the ministry sometimes for weeks, months or, in some cases, years before they show up on this page. Last month we shared an intercessory report created for DC specifically.

This month I'd like to share another intercessory report for our nation. I'd also like to encourage each one of you that reads this prayer feed with the word the Lord gave me on December 3, 2020. Jesus said to me that He was coming to be our kinsman redeemer. As a nation—according to the old understanding—the word *president* means the overseer of the eucharist. In other words, the executive over the communion. Eventually, we came to understand this individual as the chief executive overseeing and protecting the nation as the commune between the states, the individual and the Federal government. Unbeknownst to many, our governmental system is based on covenant. Federal means covenant. In a symbolic way, the president is married to the nation as a covenant protector, seeing and implementing provision to guide the nation to health and wealth.

In order to need a kinsman redeemer as a nation, you need the symbolic death of the one married as a symbol to protect the nation from all enemies. I'm not speaking literal death on anyone. I've never signed on to the conspiracy guys. It always sounded like too much alphabet soup disinformation to muddy the waters and get people's attention away from God's word and reality. Since courts refused to address the 2020 election complaints of the people, our only hope is the kinsman redeemer of the United States. That person is The Lord Jesus Christ.

The awesome thing about Jesus is that He tells His church what He's doing and He asks us to co-labor with Him (Amos 3:7; 1 Corinthians 3:9). As the Lord was speaking with me on December 3, 2020, I heard Him say, "You"— meaning American citizens— "have been sold for nothing, but I am coming to redeem you." As I heard this, I saw a hand as it would hold the arm of a chair to get up. I knew it was Father arising from the throne and immediately Psalm 68:1— "Let God arise, let his enemies be scattered: let them also that hate him flee before him"— was in my spirit.

The Psalm continues: "As smoke is driven away, so drive them away: as wax melts before the fire, so let the wicked perish at the presence of God. But let the righteous be glad; let them rejoice before God: yea, let them exceedingly rejoice. Sing unto God, sing praises to his name: extol him that rides upon the heavens by his name JAH, and rejoice before him. A father of the fatherless, and a judge of the widows, is God in his holy habitation. God set the solitary in families: he brings out those which are bound with chains: but the rebellious dwell in a dry land. O God, when thou went forth before thy people, when thou didst march through the wilderness; Selah: The earth shook, the heavens also dropped at the presence of God: even Sinai itself was moved at the presence of God, the God of Israel. Thou, O God, didst send a plentiful rain, whereby thou didst confirm thine inheritance, when it was weary.

Thy congregation hath dwelt therein: thou, O God, hast prepared of thy goodness for the poor. The Lord gave the word: great was the company of those that published it. Kings of armies did flee apace: and she that tarried at home divided the spoil. Though ye have lien among the pots, yet shall ye be as the wings of a dove covered with silver, and her feathers with yellow gold. When the Almighty scattered kings in it, it was white as snow in Salmon. The hill of God is as the hill of Bashan; an high hill as the hill of Bashan. Why leap ye, ye high hills? This is the hill which God desires to dwell in; yea, the LORD will dwell in it for ever. The chariots of God are twenty-thousand, even thousands of angels: the Lord is among them, as in Sinai, in the holy place. Thou hast ascended on high, thou hast led captivity captive: thou hast received gifts for men; yea, for the rebellious also, that the LORD God might dwell among them. Blessed be the Lord, who daily loads us with benefits, even the God of our salvation; Selah. He that is our God is the God of salvation; and unto GOD the Lord belong the issues from death. But God shall wound the head of his enemies, and the hairy scalp of such an one as goeth on still in his trespasses. The Lord said, I will bring again from Bashan, I will bring my people again from the depths of the sea: That thy foot may be dipped in the blood of thine enemies, and the tongue of thy dogs in the same. They have seen thy goings, O God; even the goings of my God, my King, in the sanctuary. The singers went before, the players on instruments followed after; among them were the damsels playing with timbrels. Bless ye God in the congregations, even the Lord, from the fountain of Israel” (Psalm 68:2-26).

The whole psalm is relevant for our time period, so I encourage you to continue reading it. At the end of this report I will share one connection, among many, that the Lord gave me concerning this psalm and our time period for prayer now. Speaking of prayer, we have changed the outreach of this page somewhat in that we felt the Lord

wanted us to share with you what He is asking us to pray for in a more timely manner. So let's get started. In 2015, I had a dream that I shared with the intercessors at that time and we prayed. We knew God answered, but we really didn't know how or any specifics of the answered prayer.

In my dream I was traveling across the Escambia Bay Bridge, which spans two distances over a bay which feeds into the Gulf of Mexico. Looking to my right I saw a massive creature made of metal. It looked like a snake but had a head unlike anything I've ever seen before. Its body was about half a mile wide with a length I could not see, though imagined to be at least two or more miles long. Its head was four-square, and when it opened its mouth to swallow up the bridge I was traveling on, its mouth was four-square as well with four openings that made one square. It was like the traditional paper game-piece kids would make years ago to put on their fingers to play a rhyming game. At the time, the only thing the Holy Spirit made known to me was that it was connected to the Federal government, especially as it related to the Department of Homeland Security. I knew it was manmade because of the metal. So we broke its power, praying as God told us to.

Fast forward to a month or so ago, and I was sharing the dream with an intercessor. She had shared a dream with me years ago, but I don't remember her telling me what the creatures looked like. Well, she started to tell me the dream again that she had. She said an angel took her into a warehouse with shelves, hundreds if not thousands of them. On these shelves, with four to a shelf were these creatures that were metal like snakes, about three feet long that had a squared off mouth. The angel told her that they were demons being prepared to be attached to humans.

I was stunned. The creatures she described were like the bigger one I saw in my dream seven years earlier. The difference between these

smaller demons and the creature I saw was that she said these little creatures all had teeth. Otherwise, they seemed to look exactly like the bigger version I saw. She had her dream many years ago as well. This experience sent me into prayer. Over that particular weekend, many weeks ago, the Holy Spirit gave me more information concerning these creatures. It looked like this, only made of metal with four sharp, squared off openings to its mouth:

The Ho Chi Minh Trail

He let me know that I saw one of many large, manmade pipelines being enacted by the devil. They are the modern day Ho Chi Minh trail. Immediately, I researched the old trail. Some of you may not know history, or lived through the Viet Nam War, so let me share what the Ho Chi Minh trail was. It was the passageways, roadways or networks of trails throughout Viet Nam and Laos that the communists

used to transport manpower and materials back and forth from China that they needed to maintain their armies in order to support their war efforts. It was jungle warfare never seen before by modern wartime scholars. As a result, Americans decided destroying the road was the answer. Unfortunately, not being one road, but many veins, the massive carpet bombings spread events farther. Because there was a lack in understanding the nature of communism and China's real goals and purposes, we may have won a battle and won one war, but we are sadly on our way to losing our nation.

I now understood what I saw previously. During our prayer time years ago, one of the intercessors saw that the pipeline or "snake" had been broken. Having the new information I had, I knew that was due to the Trump Administration. They had broken up many of the ways the communists in this country, as well as China and those outside of our land were taking us over. There are so many of these veins in and out of our nation that it should break every patriots' idea of left and right, fairness as well as unconventional warfare. We must understand that all Democrats are now communists. If you think socialism is going to be perfect for us, understand quickly that this updated Ho Chi Minh trail has begun producing a captivity never before seen in this nation.

You might ask how I'm able to know that? No more than three days to a week later after realizing the two dreams were different aspects of the updated Ho Chi Minh trail, our communist-controlled media announced this grand new deal that Senator Manchin made with the communists. In this new deal is enough money for the IRS to fix their old and antiquated machinery so they can serve the American people better. Instead of replacing the mess of computers they use that exposes us and our information, they have chosen to hire 87,000 new IRS agents who can carry a gun! Lest you think the nonsense uttered by Janet Yellen, Biden's treasury secretary can pass muster, you should know that the Republicans made several attempts to make sure legally

that the IRS could not go after those making less than \$400k a year. What happened to those attempts? The Democrats made sure that they were removed from any and all legislation going forward.¹

¹ Here is a non-biased article concerning the non-inflation reducing inflation bill. Towards the end of the article, they write attempts made by republicans to protect Americans. This was not the only attempt. A separate one was also made. That failed as well. < <https://heartlanddailynews.com/2022/08/senate-passes-inflation-reduction-act-after-vote-a-rama> >

Overcoming A Nation

The Lord made it clear to us that those demons with teeth that looked like smaller versions of the larger pipeline snake I saw were some of those 87,000 IRS agents with guns. These are not the only demonic forces planned to go into the pipeline. Remember what the original trail was. It was used to run material and people back and forth from China to gain access to a proxy war to weaken and control a people. This is what many of these forces in this country are. Do you think all of this CRT and gender studies and surgeries Democrats support for your children are because they love children? This and many other immoral issues are ways socialists and communists down through the decades have used to overcome a people. They are part of invisible pipelines with very real and substantial results. They do not encompass all of what the outer shells are made of. Some of those would be the laws that homegrown communists make. It's not only the politicians who make these laws. Some politicians are only end-game architects.

Have you ever wondered why China has very little crime that you can see? Do you think communists allow “free love” and sit-ins and protests and immoral behavior? They do not; they are on a social ranking/crediting system. If you try to make more money than they think you should, your money is taken and/or you are put on a negative social ranking scale via your cell phone.² Do you think the BLM forces and other rioters are engaged because they are patriots and love America?³ They are part and parcel to what the communists have in times past to control a country in order to create chaos.

This chaos, like the “pandemic” is designed to cause fear. In this way, normal people will cry out to the government to protect them, thinking the government can. What most people don’t realize is that the Democrat Party in America are all socialist-communists. They crave power and your money. In order to get it you must give up your liberty. You would never do that unless you were frightened. How is it that states like Florida can survive without a personal income tax? How is it that many states like Florida allowed their citizens to get alternative medicines to cure COVID? When we got Rona we took both the monoclonal and ivermectin therapies. I can tell you that I’ve been working with ivermectin for forty years. It was not created for horses,

³ The last link is a compilation of the corruption. For decades communists have been trying to figure out how to infiltrate America. Here is the research proving they found the perfect complexities in the diversity of the American public. but humans. It has delivered the human populations of third world countries from death and destruction. Its creators have won Nobel Prizes for it. We used it and within eight hours my husband and I were both better. We were totally cured and stopped taking it sooner than the recommendation of ten days.⁴

So why would anyone want to make sure you took a shot and not a cheap and effective drug? Did you know that the inventor of mRNA has made known to everyone the dangers associated with it? But even he got fooled by their authority and took the shot. Can you imagine his horror and shock once he realized they hadn't overcome any of the hideous problems and side effects that caused him to stop trying to produce it almost twenty years ago?⁵

In order to remove liberty from a people you've got to take steps to remove their freedoms. There can be no more insidious step than conning them into giving up their medical rights.⁶ How about commanding governments' communist supporters in the media to silence free speech?⁷ How about restricting their movements and shutting down churches?⁸

How about controlling their children and forcing parents to allow sexual training, and medical decisions against their own wishes for

their children?⁹ The death knell would be to force them to get a shot that will kill them in the most unsuspecting of ways.¹⁰

You may be wondering why you don't hear about this. The state-run or mainstream or legacy media are in the pipeline. They censor speech and only allow the narratives they want you to hear. You want proof? Look at the footnotes. How was I able to find out the truth? I had to run away from the media liars.

You might wonder why would humans do this to one another? Well, remember that we are dealing with enemies that know the score. These are not some ignorant atheist-communists that don't know they are serving the devil. They know full well who they are serving. But they have made a deal because they believe they will actually be on top and in control. They don't understand the true nature of their master, and that he will never let them control anything, but only fool them in order to gain the control for himself. Even I thought some were ignorant until I watched research which exposed Marx as a devout Christian who decided to turn his life over to serving the devil.¹¹ If you watch the program I source in that last footnote, you will see that many who claim atheism are not atheists, but satanists who don't want to be exposed as such; so they claim atheism as their own.

The Modern Day Pipeline

So how can they accomplish this in America? Well, first is controlling people and we've already talked about removing life and liberty. But like any army they need supplies and manpower. The lifeline for the

communists from China during the Viet Nam War was the Ho Chi Minh trail. As I shared before, this pipeline in America isn't exactly the literal type, but it is asymmetric warfare. It is the new warfare by using our own laws and capitalism to support their war effort. And China is making full use of our own communists to do this. In some sick and perverted way, these American communists— Democrats— think they will be powerful enough to stop the Chinese whenever they want to. That will not happen.

Let's look at some more evidence. First, you need to know in Washington DC many lobbying groups are located on 'K' Street. Unrestricted hybrid warfare through 'K' Street firms, as well as other various laws legalizing the destruction of America, has been going on for quite some time. The lobbyists are writing the laws. There's a reason these bills are thousands of pages long: it's the way they infiltrate America, mocking God's word. One of their newer ways is through ESG rules, which hurt everyday people. What does it stand for? Environmental, social, governance rules that are forced upon companies by denying them funding if they don't comply.

What must they comply with? A communist agenda that promotes Critical Race Theory, climate change rules that will destroy American farmers and control land, as well as promoting transgender assignment for children, whether a parent wants that for their child or not. The kicker is that these "investment" firms are using your money to do this.¹² If you have investments in a retirement account or a for-profit growth account, like Microsoft, McDonalds or other various companies which comply with them, your money is being used to promote these agendas.

¹² < <https://www.foxbusiness.com/politics/consumer-group-issues-alert-blackrocks-woke-crusade-no-regard-american-families> >< <https://www.foxbusiness.com/politics/texas-demands-documents-blackrock-other-financial-service-firms-esg-probe> >< <https://www.foxnews.com/media/vivek-ramaswamy-americans-investment-accounts-being-weaponized-support-woke-politics> >< <https://www.foxbusiness.com/politics/desantis-fights-leftist-corporations-attempts-esg-control> >

Why would Disney want to offend their best customers, which supposedly are parents? Because someone with more money is funding Disney than their tried and true customers. That would be the Black Rocks of the world, which are the financial firms that control the flow of investment cash. All large corporations need a flow of investment dollars, something similar to a smaller business' need to have a good banker. These corrupt investment firms don't care enough about their own clients money, as long as the corporations they're giving money to abide by communist-controlling agendas.

Why are parents irrelevant? Well, in a communist society children are owned and controlled by the state. Parents are just patsies to get them to a certain point. If you think this isn't their agenda, why did the FBI decide parents were terrorists when parents protested woke agendas and vaccine mandates for their children in school?¹³ Remember that governance or government is the 'G' in ESG. Not only is your money being used against you, but at some point the communist agenda is to use your children to spy on you. This takes time and they need to declare parents as unreliable in some way. Accusing them with terrorism when they want to control what schools do with their children is a simple path to take for them.¹⁴ They are ideologically corrupting your children.

During the manufactured pandemic doctors who knew how to cure or deal with Coronavirus 2, knew early treatment with various different drugs— primarily hydroxychloroquine and ivermectin— were key in saving lives and making that virus no more than a problem like the flu or otherwise. So when COVID-19 showed up, emergency room doctors treated with those drugs. What happened to these doctors?

They were silenced and threatened with their very jobs.¹⁵ But the most disgusting display during the shutdown was the riots in the streets by Antifa and other communist-run organizations. In Democrat-run states they allowed them to harm and kill many in various communities. How could these young people display such hatred for their fellow citizens?

Since 2005, communists in schools have been slowly educating your children to riot as well as hate their country. It has been a slow indoctrination. They have now grown up to be the rioters the communists need. The communist indoctrination has described what and how sex and gender should affect their lives. It indoctrinates them into believing America is racist, and teaches them how to revolt.¹⁶ These teachers are also telling them not to share these things with their parents. Is it any wonder our children cannot come home to describe these affronts against their little emotions to their parents? There may actually be a reason— besides all the vaccinations forced on infants— that we see an exponential rise in Aspergers and Autism. Children are not able to process these emotional missiles hurled at them.

Another item into the pipeline for control is when Bill Gates and enemy countries like China buy up farmland near our military bases.¹⁷ You would think all this evidence of control and destruction would be enough to wake Americans up; well, it is not. Why would the Biden Administration think it's a grand idea to allow immigrants flow

through our southern border and elsewhere with impunity? This unrestricted flow has added anywhere from 5 million to 10 million new illegals into the country.¹⁸ Many of them are criminals.¹⁹ All these new mouths to feed will stress the supply chains, making inflation and getting food even harder for citizens.²⁰ Have you ever wondered why bread and other essentials are difficult to find in communist countries? Why socialist countries must make it expensive to purchase goods, services and affordable housing? This is to control the population in every way that they can. Starving and needy people don't think about stopping corrupt leaders; they worry more about feeding and supplying the needs of their families. These communists are using climate change to control farmers and farmland.²¹

We have all heard of GreenPeace? The founder was one of our first environmentalists to start an organization to try to fight the degradation of the environment taking place on planet Earth. Do you know he has exposed the farce of modern-day climate-change authorities, as well as their whole agenda as being motivated by money and communism?²² There is no climate change except that humans cause the problem. Fires in California? Nope, it's bad management by government. You can't tell us it's anything else because there are those of us of a certain age who know better. California used healthy farming practices to control their forests. The state formerly hired lumber companies to

maintain them and clean up old, dead and dying trees and debris from the ground. These good husbandry practices kept fires to a minimum—or non-existent in some years— by giving the fire nothing to burn on.

Are you afraid for the polar bears and the diminishing of the ice shelf? Fear not; that's another scam.²³The ice melting levels have been going up and down for centuries and polar bears need water and ice to hunt. The problem was the fact that we almost hunted them to extinction. The video on this footnote is short and you will feel somewhat scientifically ignorant for believing the ice-melt horror story. If you have looked at some of the previous footnotes, you've just gotten an education in how communists are taking over America. This indoctrination is not just for adults. Our school children are being inundated with the most vile of "teaching lessons."²⁴

The Lord Sent Us Hope

The Lord gave me 2 Kings 6:16, where Elisha told them that there are more with us than with them. The Holy Spirit also gave me Matthew 26:53, where Jesus said He could have called twelve legions of angels had He asked. While there is a long standing controversy over exactly how many that would be, it's anywhere from 72,000 to 80,000 angels! I want to remind us that by being joint-heirs with Christ we can also call on angelic protection for The Righteous (see Romans 8:17). So the Lord has encouraged us for victory. One of our intercessors is a recorder and takes down words directly from the Lord. In almost each one Jesus keeps telling us "Do not fear." In one of her earlier words from the Lord, He told us it would look as if we were losing the nation, but to "Fear Not."

²³ < https://m.youtube.com/watch?v=4BFdyYu4w_Q > I don't know what his religion is, but he believes in evolution and its timeframe, so I do not support that. Also, there is some kind of attempt to mess with the audio halfway through; it doesn't make a difference at all and you can hear him perfectly well, and it stops pretty quickly.

²⁴ If you didn't look at Footnote 14, please do.

So what should we do? I have given you many areas to bathe in prayer in this article. Pick one or more that the Lord has highlighted to you as you read this. Pray in Jesus' Name to break up the modern-day pipeline feeding into America. Pray and ask for the success of the angelic hosts Jesus has sent to help us. There was a pastor one of our intercessors encountered that told her we couldn't ask for God's help because America has no covenant with God. He also told her the only thing we could do was pray for souls. I wrote a 698-page book proving the historical and literal governmental covenant that America has with God by documentation, not just by oral history.

Number two, do you really think if the communists in America win this war they are going to let Christians witness and share the gospel? I was listening to a religious broadcast overseer who hosts almost all the religious broadcasters in this nation share how many of the people in his group have had their banking and credit accounts deleted. In other words, they've experienced cancel culture for their religious views.²⁵ These are the beginnings of the communist practice of social ranking and crediting systems. This will not stop unless we stop them. Prayer alone is the only way we can start. I'm not saying we can't implement legislation as well as punitive actions against entities that do such things in America. We should; but, we must start in prayer.

Our God Reigns

Remember when I mentioned one aspect of Psalm 68 that was for today? Let's look at just one: "The chariots of God are twenty-thousand, even thousands of angels: the Lord is among them, as in Sinai, in the holy place. *Thou hast ascended on high, thou hast led captivity captive: thou hast received gifts for men; yea, for the*

rebellious also, that the LORD God might dwell among them. Blessed be the Lord, who daily loads us with benefits, even the God of our salvation; Selah” (Psalm 68:17-19). Jesus has been talking to His church about a great ingathering of souls: the last days revival where millions upon millions come to Jesus.

In the book of Ephesians Paul quotes Psalm 68 when he writes: “I therefore, the prisoner of the Lord, beseech you that ye walk worthy of the vocation wherewith ye are called, With all lowliness and meekness, with longsuffering, forbearing one another in love; Endeavoring to keep the unity of the Spirit in the bond of peace. There is one body, and one Spirit, even as ye are called in one hope of your calling; One Lord, one faith, one baptism, One God and Father of all, who is above all, and through all, and in you all. But unto every one of us is given grace according to the measure of the gift of Christ. Wherefore he saith, *When he ascended up on high, he led captivity captive, and gave gifts unto men.* (Now that he ascended, what is it but that he also descended first into the lower parts of the earth? He that descended is the same also that ascended up far above all heavens, that he might fill all things.) And he gave some, apostles; and some, prophets; and some, evangelists; and some, pastors and teachers; For the perfecting of the saints, for the work of the ministry, for the edifying of the body of Christ: Till we all come in the unity of the faith, and of the knowledge of the Son of God, unto a perfect man, unto the measure of the stature of the fulness of Christ” (Ephesians 4:1-13).

While I’ve italicized the exact words, the understanding in both writings is awesome. Our Old Testament saints could never know the power of their God’s salvation. This salvation would come with Yeshua (our English spelling), the Lord Jesus Christ. Y’shua is Jesus in Hebrew. It means, Oh, God Save! Or, God Saves! In Psalm 68, God is called the “God of our salvation.” He loads them up with good things, even the rebellious so He can dwell among them. What did God do by

sending Jesus? He sent His Son, God Almighty, Incarnate, in the flesh to dwell among men so He could give them the gift of salvation.

But Paul makes some very interesting connections to the Psalm in Ephesians. He tells the Christians that they are one in unity, in one body and one spirit. He tells them how to maintain unity, which in biblical language is to maintain the power God gives. He says to them that because of this grace from Christ rising from the dead, God enables them to receive gifts. These gifts are people who have power to see times, seasons, teachings that will help the church. He goes on in Ephesians to list those items. The Holy Spirit who dwells within us is in us because of grace. It is because of His grace, we accepted Christ in the first place. Salvation can never happen without God's grace. It is by grace that we are saved. This grace produces faith, and it is not of ourselves. It is the gift of God (see Ephesians 2:8). If He acknowledged the covenant He had with Christians who started this nation, and not just those who started it, but those who continued the covenant-compact— for those who do not know, that encompasses and compacts The Declaration, The US Constitution and The Bill of Rights— He will not leave us helpless as we cry out to Him to come and rescue us from those who refuse to acknowledge this covenant.

How do I know Jesus agrees to rescuing us? He told me that personally on December 3, 2020— and I am not the only one He has said as much to.²⁶ If you will look in the archive from 2020 onward, you will see we have reprinted one of our intercessors here who consistently receives words from the Lord concerning prayer and what is going on in this world and the dangers to come. Yet even with all those words, she will also receive the words: DO NOT FEAR. He is always telling us not to fear. Our Jesus is AWESOME!

Some Last Prayer Points

I am not sure when we will receive another set of Intercession Reports. This is our second for this election. You can view the first in the Archives if you missed it. In that report, we incorporate Pastor Tim Sheets' declarations and the words he received from the Holy Spirit for intercession in DC before this upcoming election.²⁷ In that report, one of our intercessors received a very similar dream as the one Pastor Sheets had received. There were differences; the major difference being that she told me about her dream years ago. I had to incorporate it in that first report for this year because I was stunned at what God was showing us. What I am about to share is no different.

The first time we did an intercessor's report as a ministry was in 2015. It included the dream I shared here. Then we had the second report I just mentioned in the previous paragraph. The same intercessor contacted me last week and shared a word the Lord had given her concerning the migrants coming into America. Again, I was stunned. She started sharing a word the Lord gave me during a conference a church my husband and I were members of eighteen years ago before we started this church and ministry. It was a conference that brought together north and South American leaders. A famous South American pastor preached— and if I mentioned his name, most of you would know it. Fast-forward to 2018, and the Lord had me write that word in an article that was posted on this website.

I'm going to make a little ministry confession here: There are very few intercessors in our group that don't read the articles I post on this website. Unfortunately, this particular intercessor is not one of them!

²⁷ As I did in that report and for total transparency, we do not know Pastor Tim Sheets. One of our other intercessors has been sending me some of his words for about a year or so. Those words have intrigued all of us in that quite frequently, though not always, they will be similar to what the Lord is saying to us. They have been a real blessing to us. You can catch his ministry and words at < <https://timsheets.org> > or at < <https://www.oasiswired.org> >

She doesn't live in our area; so, when I feel she would be blessed by reading an article, I try to remind her of them. I'm sharing that because I know for a fact she didn't read my article from 2018. What she also didn't realize was that the Lord was reminding me of that time period and some of the events I never shared with her that happened during that period of time. Well, after she shared almost the same identical word, I told her the Lord had also been speaking to me recently concerning that old word. Under the direction of the Holy Spirit, I went searching for it. It will be re-posted sometime in October, with minor updates for grammatical or typo issues and updates for the footnotes.

I'm sharing the previous paragraph because I want to let you know that the word the Lord gave me in 2004-2005, had to do with the fact that He wanted us to see all these illegal migrants preached to and brought to the Lord. This is because He has a great work for them to do. The article will go into the legalities as well as theology concerning the word. For your part, you can read the Feature Article on this site when it updates in October. It may already be posted by the time you read this Intercessors Report for America. I'm sharing it here because we need to pray concerning the criminals and terrorists the communists have allowed in. Pray that they either get saved, or they are removed from our country— at least removed from harming Americans. Secondly, pray that the Lord sends laborers to preach to them, and third, that you may be one of those who can share Jesus with whomever you may meet; and, that He gives you the insight on how to share Jesus. If you have never done so, this footnote will link you to a ministry that can give you easy-to-follow tools to use in order to share Jesus with anyone you may meet.²⁸

²⁸ < <https://www.revival.com/soulwiningtools> > Quick and effective, this ministry has seen millions saved. I believe it's in the thirty-plus million at this point in time, but it may be higher. You can download their soul-winning kit at the above link.

The last item in this report will be a word the Lord gave to my husband. He kept hearing the word “Rappahannock” in his spirit. Well, after ten days or so, he had prayed as much as he could and shared it with me. He said, “Isn’t that a river somewhere near DC?” I went to look it up because I thought it was one of the rivers I saw when doing the DC Intercessors report. He was correct; it is in Virginia. We both began to pray. Well, the intercessor I mentioned before told me the Lord was moving upon her concerning our Native-American Indians. Several points for prayer became obvious during that period of time; but, I realized the name of the river is in the Native American Indian language for the tribe located in that area. The word means fast-moving waters.

It was at that point I realized the Lord was telling us— outside of other things concerning these tribal groups— that the communists in our country were going to move fast in trying to lock the country down before the election. I started to pay attention to all the various laws they have tried to throw into the “pipeline” as well as laws they would use to make new “pipeline” with. Of course the raid on the former president’s home was one of them, but the politicization of our military, our law enforcement, our legal system and our financial systems is obvious and I’ve already shared the proof in the footnotes. Here are a few more frightening things this cabal is trying to do: One, create a policing force within our US banking regulatory department.²⁹ They control about 70% of the assets in the US commercial banking systems. This new top “cop” is a trained Chinese communist operative.³⁰

³⁰ < <https://www.independentsentinel.com/kudlow-on-trained-communist-yue-chen-as-us-esg-cop> >

While the last two footnote links will shock you, nothing is more frightening than our federal government trying to control all the policing in the country.³¹ It is literally an attempt to federalize all local police forces.³² The Republicans are promising to undo all this destruction. We'll see how that works. Frankly, without our Lord's help, I'm not sure they can; but, it will be a start. We have to start some where; and, winning the November election is a start in the right direction. I know Jesus can save us; it's just the totality of how this thing has unraveled. It's not only government and its connection to businesses, but the individual businesses that have adopted these hideous actions that have ingrained themselves into various corporations by making these evil actions part of corporate life.³³

Some individual governors are trying to stop the influence of the Chinese, as well as other foreign actors from getting individual citizens' information in this country; but unfortunately, that ship has sailed in many states.³⁴ There are private groups out there trying to let people know that climate change is not the problem, but mankind's poor job of taking care of our environment is. It's not the fact that you have to eat bugs and go for meatless substitutions, but in becoming educated to see the lies we have been told about the globalists' endless and well funded campaign to fool you.³⁵

The Rappahannock word Jesus gave to my husband was an indicator to us for the urgent need for prayer. If you don't pray now, when will it be the time? If this all is a little overwhelming to you, just remember that the Holy Spirit is on the inside of you, teaching you how to pray. How do you eat an elephant? Take one bite at a time. NEVER eat an elephant; this is just a saying to emphasize a point. Here are some "one bite" prayer points to get you started. Even if you only pray these, you are on your way to listening to the Holy Spirit when He tells you to pray.

1. Bind our enemy and his forces from winning this November election; and, loose those who will vote for Jesus to vote, overcoming the communist cabal coming for your children and our nation.
2. Loose our nation from the grip of all the communist's agenda through their "pipeline" into and out of this country.
3. Pray workers into the harvest to see all the unsaved in this country set free and delivered from darkness to the light of Jesus Christ and His salvation.
4. Pray for those around you and others to learn the frightening steps that have been taken to control America. Loose their eyes to see and their ears to hear the truth that the legacy, state-run and mainstream media will not tell them.

Lastly, the new prayer teachings on the website will also update in October. We have gone through the first teaching on prayer and will update with the second in October. Also, the new Feature Article will update with the word I referred to here concerning prayer and evangelization for those coming over our southern border.

If you don't know Jesus and somehow you made it through this article to this point, why not ask Him to come into your heart and give you a new heart? The Apostle Paul wrote simply in the epistle to the Romans: "That if thou shalt confess with thy mouth the Lord Jesus, and shalt believe in thine heart that God hath raised him from the dead, thou shalt be saved. For with the heart man believeth unto righteousness; and with the mouth confession is made unto salvation. For the scripture saith, Whosoever believeth on him shall not be ashamed" (Romans 10:9-11). The Bible can't make it any simpler.
