

UBUNTU

First Mission

A New Beginning

FILL THE CONTAINER OF HOPE

MISSION OVERVIEW:

In March 2026, UBUNTU will embark on its first major mission: “A New Beginning: Fill the Container of Hope.” Our goal is to fill a 20-foot shipping container with essential items—clothing, food, medication, school supplies, and more—to ship to Liberia, where countless mothers and children are in desperate need of support. This mission is the first step in our commitment to creating a world where no mother or child is left behind.

WHY LIBERIA?

A NEW BEGINNING!

Liberia, a country still recovering from years of civil war and the Ebola crisis, faces significant challenges in providing basic healthcare, nutrition, education, and resources to its most vulnerable populations. Many mothers struggle to access prenatal and postnatal care, and children often go without proper nutrition, clothing, or school supplies. UBUNTU’s mission is to bridge this gap by delivering hope and tangible resources to those who need it most.

How You Can Help:

Donate Items: We welcome donations of any kind! Here's how your contributions can make a difference:

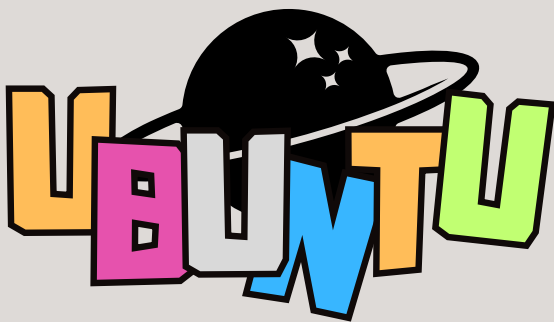

Spread the Word:

Share our mission with your network to help us reach more people who care about making a difference.

Impact of Your Support:

Every action, no matter how small, contributes to the larger goal of creating "A New Beginning" for mothers and children in Liberia. By working together, we can show the world the power of Ubuntu: "I am because we are."

THANK YOU

OUR GOAL

We aim to fill a 20-foot container with the following essential items:_____

- Clothing: New or gently used clothing for mothers, babies, and children (ages 0-18).
- Food: Non-perishable, nutritious food items (e.g., rice, beans, canned goods, baby formula).
- Medication: Over-the-counter and essential medications (e.g., pain relievers, prenatal vitamins, first-aid supplies).
- School Supplies: Notebooks, backpacks, pens, pencils, crayons, and other educational materials.
- Baby Care Items: Diapers, wipes, bottles, and blankets.
- Other Essentials: Hygiene products, shoes, and reusable water bottles.

Impact of Your Support:

- Mothers will receive the resources they need to care for their newborns and themselves.
- Children will have access to proper nutrition, clothing, and school supplies, giving them a healthier and brighter future.
- Communities will feel the ripple effect of hope and support, knowing they are not forgotten.

JOIN US IN MAKING HISTORY:

UBUNTU's "Fill the Container of Hope" mission is more than a shipment of supplies—it's a symbol of love, solidarity, and the belief that we are all connected. Together, we can fill this 20-foot container with hope and send it to Liberia, where it will transform lives and communities.

Let's show the world the power of Ubuntu: "I am because we are."
