

***SAVE OUR
OCFS
FACILITIES!***

Gov. Cuomo's proposed state budget closes four OCFS facilities, including Red Hook Residential & Goshen Secure, with only a six month notice – bypassing the legally required one-year notification period.

Closing these facilities leaves an “OCFS desert” in downstate New York, making it more difficult for families to travel up to visit their children.

This proposal is WRONG:

Wrong for Families

Wrong for Communities

Wrong for dedicated OCFS Workers
