To Whom It May Concern:

I write this letter in recommendation of CB Construction Services, Inc., located at 428 Mumper Lane, Dillsburg, PA. I had the pleasure of working with Carl Barker, President of CB Construction Services, Inc. on the renovation of our new office building from December 2012 through May 2013. I can recommend him highly and without reservation.

Throughout the course of the renovation, Carl was a consummate professional. He was accurate in his initial assessment of the scale and cost of our project. He was clear in his record keeping and time log. He chose and managed the sub-contractors well. The renovation was done with care and precision, and was completed on time.

I'm happy to recommend the services of CB Construction Services, Inc. If you have any questions, feel free to contact me.

Sincerely,

H. David Padden, CPA
