HAPPY PAWS CELEBRATING 10 WONDERFUL YEARS OF RESCUE

MESSAGE FROM THE FOUNDER

Can you believe our wonderful charity is celebrating ten incredible years in rescue!

We have come a long way in that time and many hundreds of Retrievers, Cockers, Labradors and English Setters have been saved from their life of cruelty to living the dream here in the UK with their very own loving, forever family.

What the charity has achieved in the last ten years has quite simply been monumental.

The centre continues to evolve and grow - the facilities it now enjoys include the vet centre, play park, quiet areas and new kennels to name but a few are all an invaluable part of our work.

The play park is being used every day and we have improved the facilities so the dogs can enjoy lots of mental stimulation as well as physical.

Burcn (our trainer) is constantly updating and improving the training programmes for all of our rescues.

The play park is completely enclosed so all the dogs can run free after their training sessions and have a good play.

The Memory wood trees, which were planted for our rescues who have passed over to rainbow bridge, are providing much needed shade.

The recent addition of our house and shaded area within the play park is providing a great store and area where the dogs can chill out and relax.

The vet centre is fully functioning and enjoys a lot of up-to-date equipment such as an X-ray machine, teeth cleaning equipment and many other medical machines which help the vets maintain good veterinary support.

Our project work has been and continues to be very successful - the spay and neuter programme is proving to be invaluable at preventing many unwanted pregnancies and the street food programme has grown to 25 feeding stations to help feed the poor souls who would simply starve without our support.

We recently started a new education programme in honour of the 10th anniversary where local children can come to the centre and learn about animal welfare. This project is going to help future generations learn to care and respect animals. Many school children have enjoyed a day at the centre and we hope to

expand this programme in the future.

As a celebration of our ten years we are now looking to the future and thinking about the next ten years

Our focus will be to maintain what we have achieved and secure our legacy for the future to ensure our work will continue.

Together we have come a long way - we would ask all our supporters if you could help us raise much needed funds we would be so grateful.

Putting on a fundraising event, donating via our website www.happypawspuppyrescue.co.uk or taking part in the Happy Paws Lottery will all help us in our quest to improve animal welfare.

Please contact the office if you need any help with fundraising.

Your support and kindness quite simply saves lives and your wonderful support is greatly appreciated.

Who knows where the next ten years will lead us but one thing is for sure, the charity is internally grateful that you are standing beside us all in the name of animal welfare and it's because we are stronger together that we are all making a difference.

Lots of love

TRAINING SESSION WITH BURON

SEADER - THE MANAGER OF THE PLAY PARK

HAPPY PAWS PLAY PARK

The Happy Paws play park and training centre is one of our greatest achievements! Our rescues spend lots of time training, having fun and enjoying the safe environment. The training really does help prepare them for their life in the UK. This wonderful asset is one we desperately want to secure well into the future. If you could help raise funds for us to maintain this incredible area please do get in touch. X x

CELEBRATING 10 YEARS OF RESCUE

All of our rescues wear a Happy Paws bandana when they have passed their training. They wear it with pride!

We sincerely hope that with your kind and continued support over the next ten years many more beautiful souls who are in need of our help will get their chances too!
