We reserve the right to refuse any adoption that we feel will not suit the dog's/puppy's requirements. Please complete the Application Form as completely as possible. Dogs are fun, loving, playful and a lot of work. Please be sure that you can make a commitment to the care of the dog before you decide to adopt one.

Note that we insist on the spaying/castration of each adopted dog (if not already neutered at the time of the adoption) within three months of ownership. We need to be forwarded a written statement/receipt from the vet confirming that the spaying/castration has been carried out.

Adoption Notes

Happy Paws will endeavor to contact you within two weeks of receiving the Application Form.

Happy Paws reserves the right to refuse any application they deem unsuitable.

Please be aware that upon acceptance from you to adopt a Happy Paws dog it will only be released after a donation of £750 is paid with cleared funds. The £750 donation will pay for the transport for your dog.

Happy Paws **cannot** guarantee the exact age of a dog nor the breed (or the cross of breeds) of a dog, however we will endeavor to ascertain such by veterinary advice.

Happy Paws will continue to be in touch with you after the adoption has taken place.

We want your dog to settle in quickly, but some do take longer than others so please do be patient. You will not see the true character of your dog for possibly 2 weeks, or it may take longer. Your dog needs time to get to know its new family and its new home.

You are obliged to inform Happy Paws immediately in case of a change in circumstances prior to the adoption of your dog.

Thank you for your interest in one of our rescue dogs and for the submission of the Application Form.

PLEASE BE ADVISED THAT FILLING OUT THIS QUESTIONNAIRE IS NOT A GUARANTEE OF ADOPTION.

Application Forms are reviewed with the sole intent of making the best long-term companion match for the dog and for you as possible.

I certify that I am at least 18 years of age and the information I have given is true. I recognize that any misrepresentation of facts may result in my losing the privilege of adopting a companion dog and I understand that Happy Paws has the right to deny my application.

I am fully aware that I am adopting a living creature and as such that Happy Paws is unable to guarantee the health or behaviour of the dog.

Once I take possession of the dog I understand that ownership will pass from Happy Paws to myself and that the full donation I have paid is non-refundable.

If this dog becomes ill or it has an undiagnosed health condition at the time of adoption I certify that I am financially and/or emotionally prepared to treat this animal at my own expense.

If accepted as an adopter I will sign and return the Terms & Conditions For Adoption Form that Happy Paws will send to me prior to the adoption.
