KISHANTA SUBDIVISION

Tabunok, Talisay City, Cebu

RESIDENTIAL HOUSE AND LOT (READY FOR OCCUPANCY)

This is a single detached residential house located inside the quiet and well kept Kishanta Subdivision in Tabunok, Talisay City. It is ideal for families looking for space, privacy, and a move-in ready home.

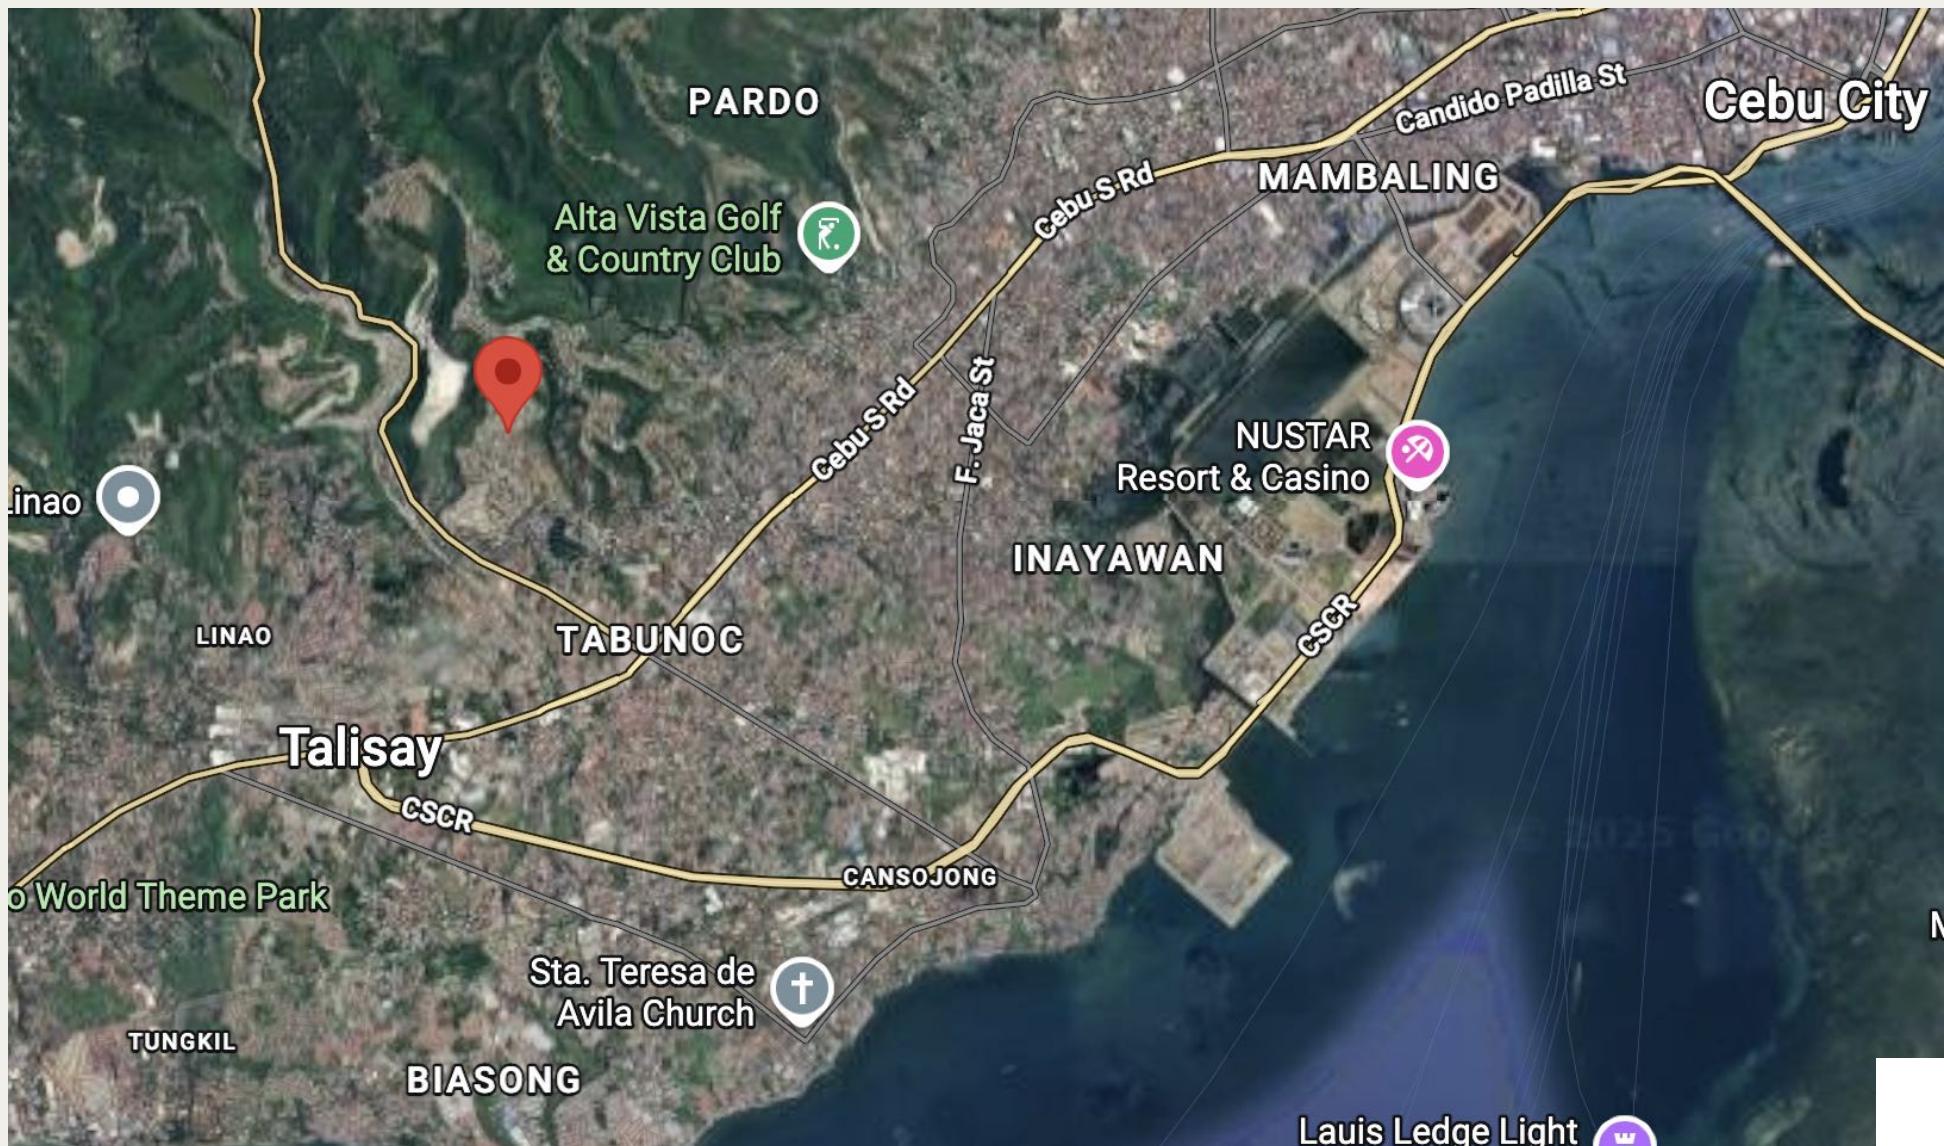

The house sits on a 150 square meter lot with an approximate floor area of 100 square meters. It was originally designed as a three bedroom home but was converted into a two bedroom layout to create a larger master bedroom with an expanded toilet and bath. The property also includes a water tank, and a roof has been added to the garage for better protection and usability.

This is a good option for buyers looking for an RFO home in a peaceful subdivision with easy access to main roads, commercial areas, schools, and essential services in Talisay City.
