Waiting

Sometimes, I have to wait for things.

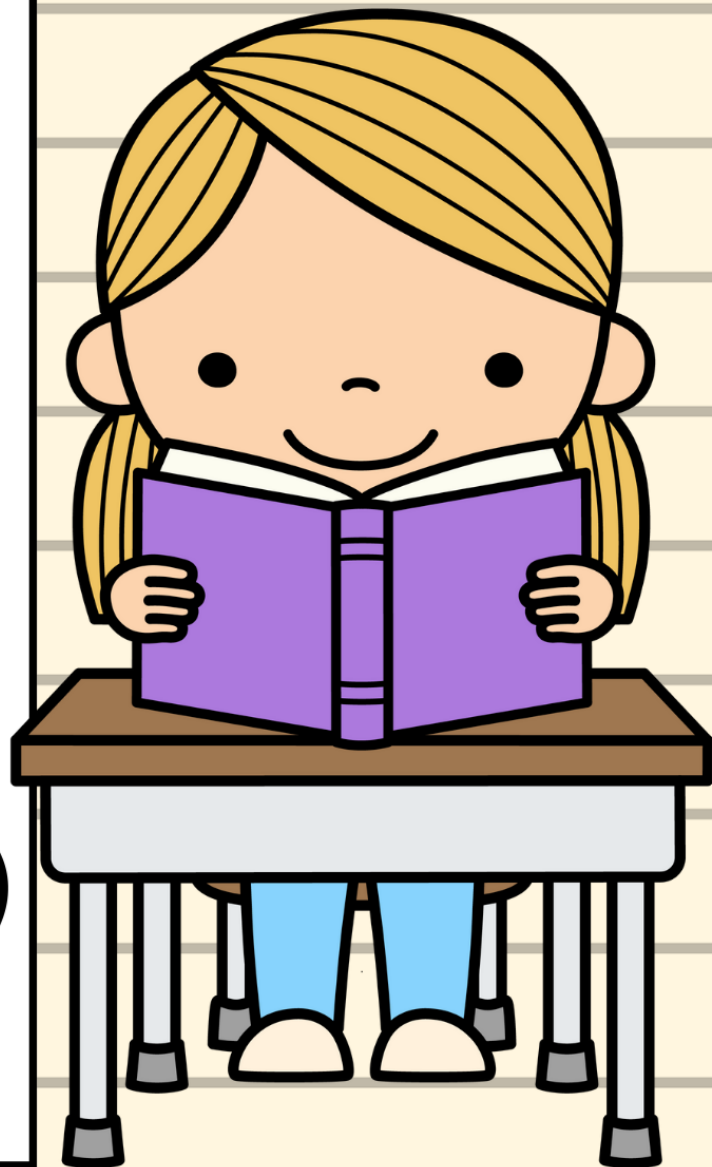

Everything cannot always happen right away.

I may have to wait for items, activities, and people.

Waiting can be hard but I can also be patient.

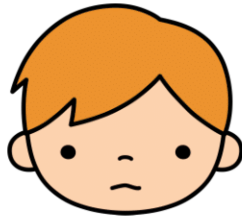

I can count slowly, take deep breaths, or do something fun while I wait.

Waiting (Continued)

I can look at books, draw a picture, or listen to music.

While waiting, I may feel bored or frustrated.

I can talk to a trusted person about my feelings.

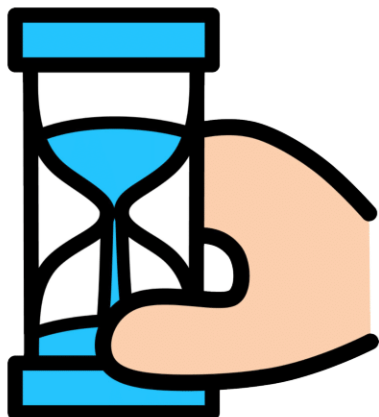

Patience is a valuable skill.

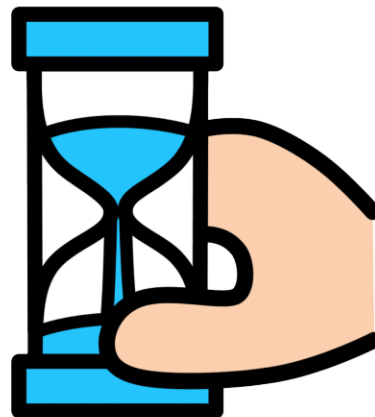

I can practice and get better at waiting and patience.
