Appropriate Touch

Everyone has personal space.

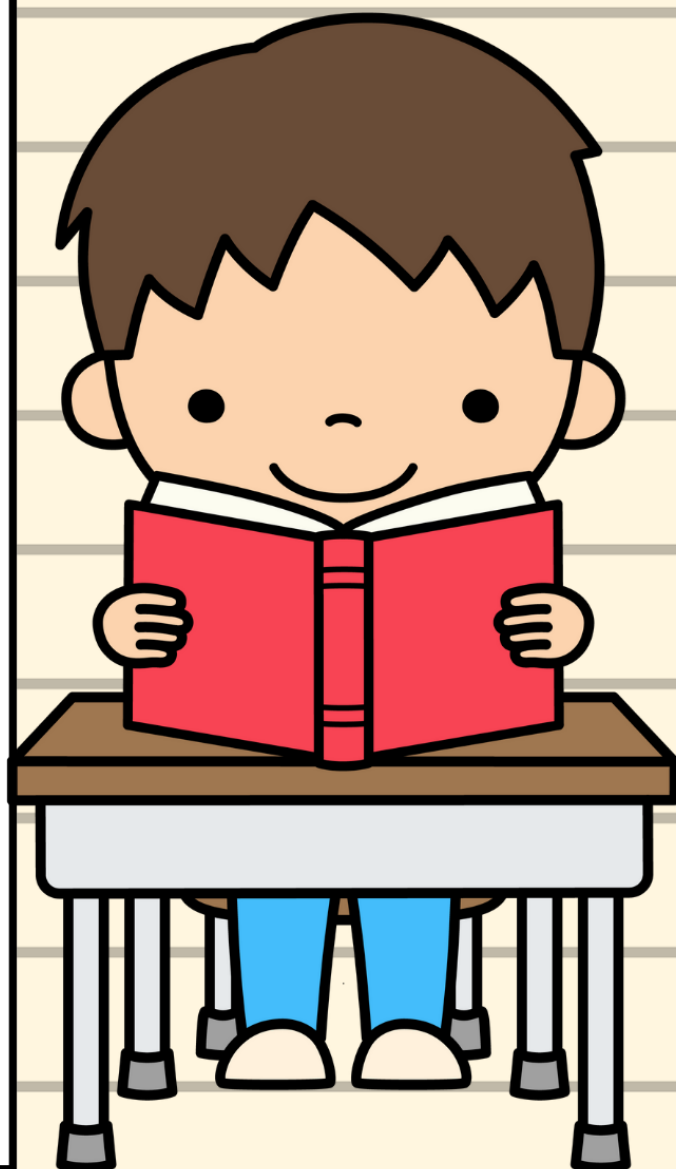

I need to respect their personal space.

Other people also need to respect my personal space.

I should ask before touching others.

And others should ask before touching me.

Appropriate Touch (Continued)

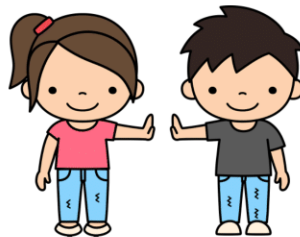

Appropriate touch is a touch someone is okay with.

An inappropriate touch is one that makes someone feel uncomfortable.

I can say if I feel uncomfortable with a touch.

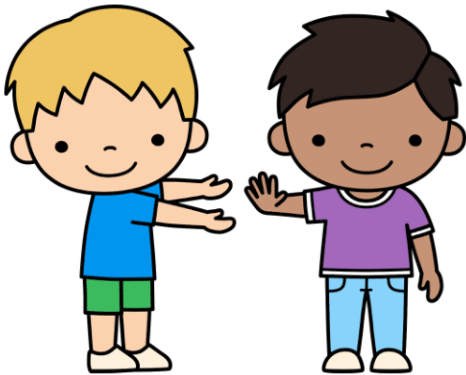

And I can respect if someone else says they are uncomfortable with a touch.

These are great choices.
