

# Thank you for downloading!

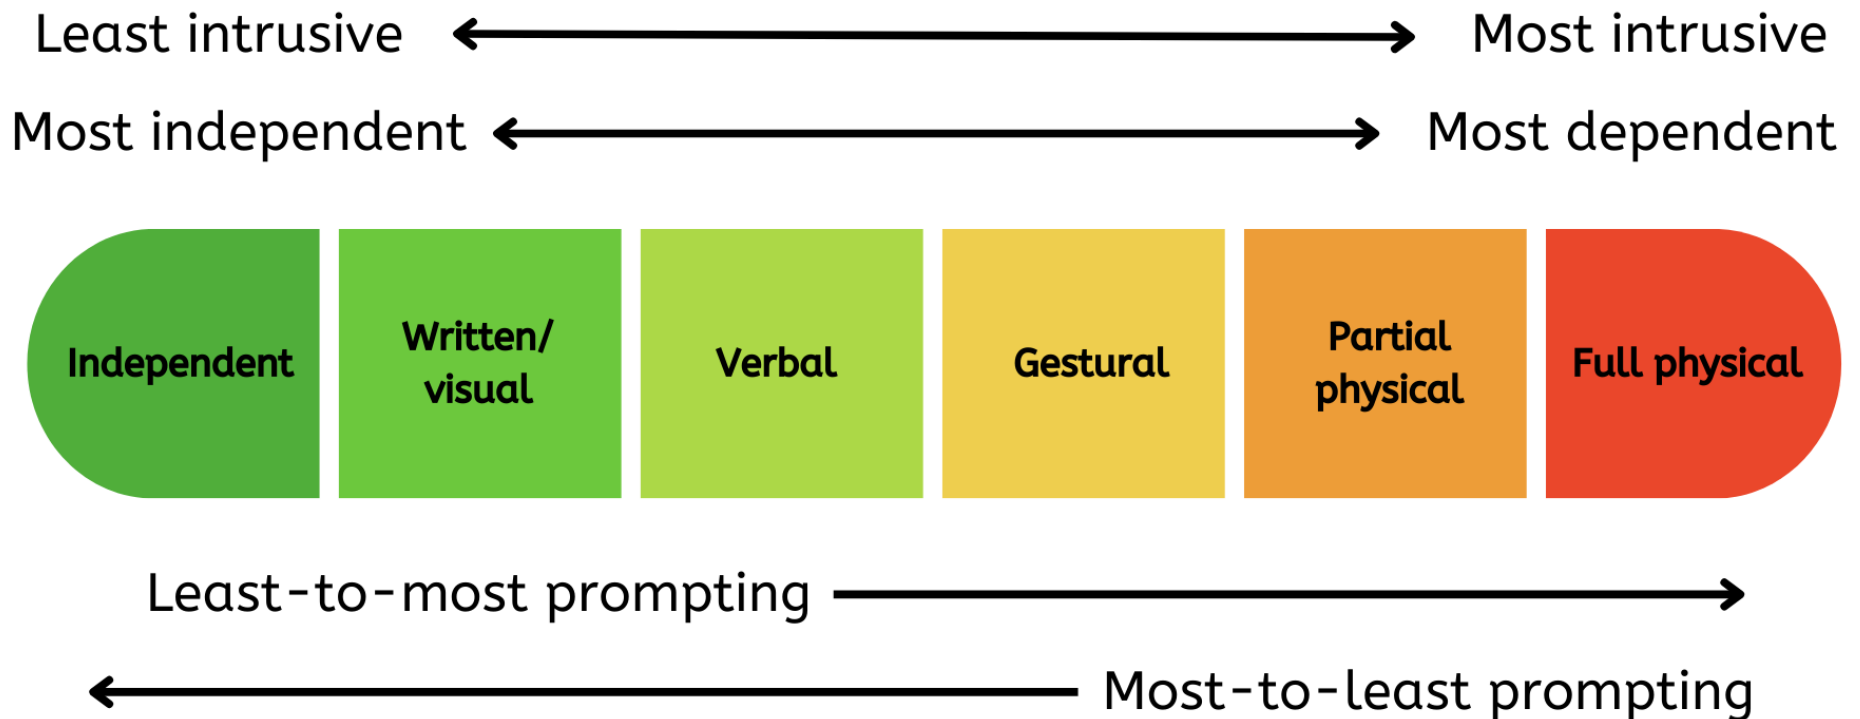

Thank you for downloading the AllDayABA prompting hierarchy printable posters. I hope that it helps break down this concept for you, your supervisees, clients, and more.

You may use this resource in your clinic, classroom, parent training, supervision, and more.

You may not claim this work as your own or resell it in whole or in part. Please provide appropriate credit to Kayla Motl and/or AllDayABA. If you do that, you can use it for almost any purpose! Please feel free to email me with any questions about usage at [kayla@alldayaba.org](mailto:kayla@alldayaba.org).

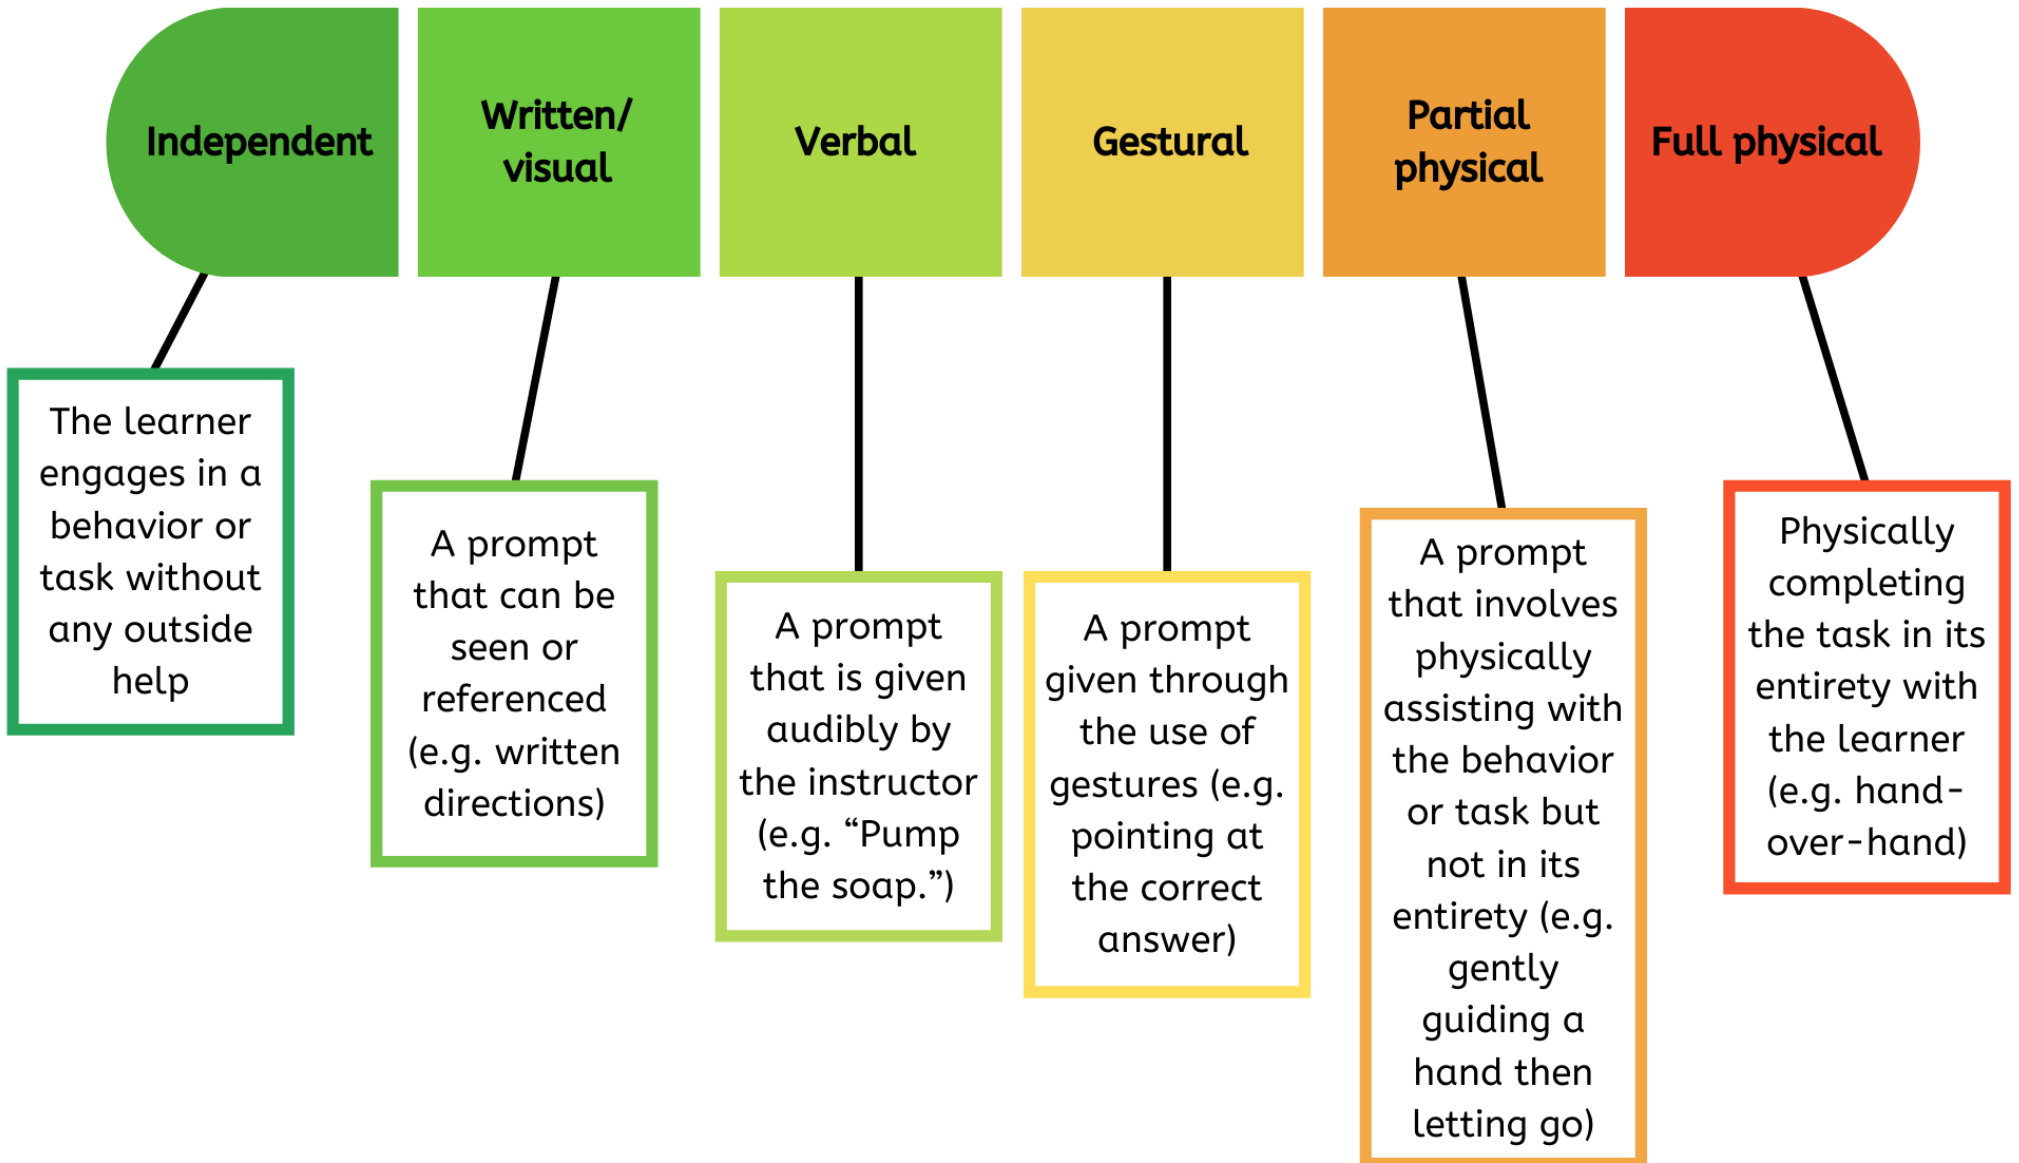

Your referral is the greatest compliment. Please spread the word if you enjoy AllDayABA's resources. You are appreciated!

# Prompting Hierarchy.

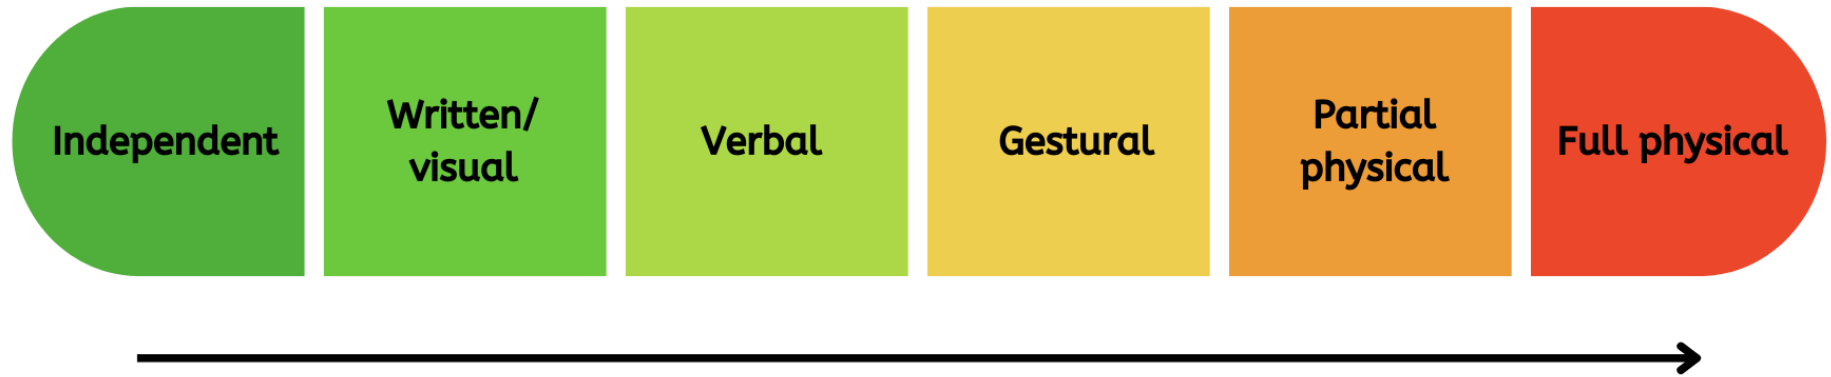

\*\*\*This is not an exhaustive list of prompts and some people might consider different prompts to be more intrusive than others.

# Types of Prompts

\*\*\*This is not an exhaustive list of prompts and some people might consider different prompts to be more intrusive than others.

# Least-to-Most Prompting

Least-to-most prompting involves starting with the least intrusive prompt first (independence) and gradually increasing prompts as needed until the behavior occurs (Cooper, Heron, and Heward, 2020).

\*\*\*This is not an exhaustive list of prompts and some people might consider different prompts to be more intrusive than others.

Cooper, Heron, & Heward. (2020). *Applied Behavior Analysis (3rd ed.)*. Hoboken, NJ: Pearson Education.
