Keeping My Hands to Myself

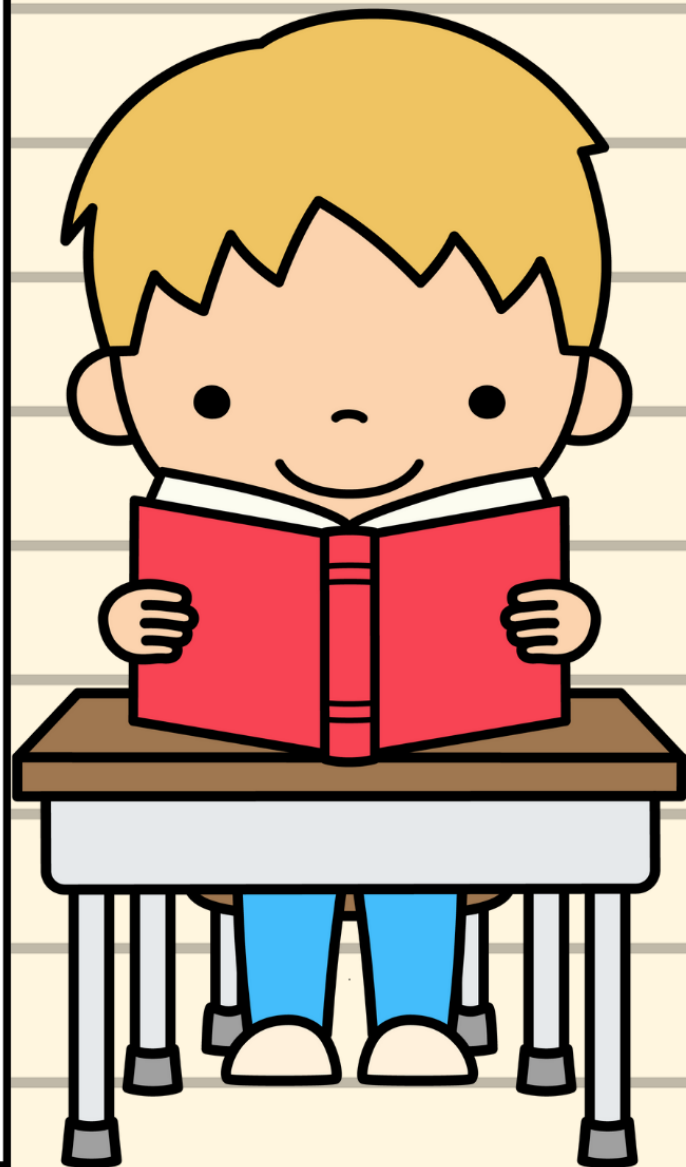

I can keep my hands to myself.

Keeping my hands to myself is a good choice.

Sometimes I may want to touch other people.

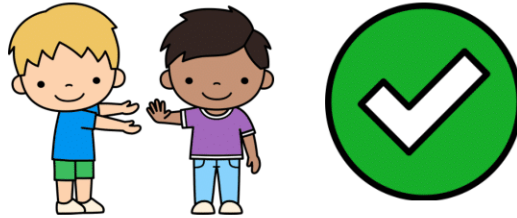

Touching other people without permission is not a good choice.

If I want to touch someone, I need to ask.

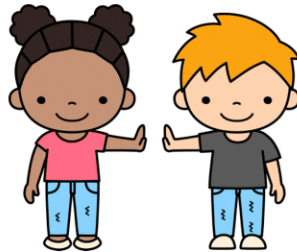

Keeping My Hands to Myself (Continued)

If they say “No,” that is okay.

Sometimes people want personal space.

I can give people personal space.

When I keep my hands to myself and give people personal space, everyone will feel very happy.
