

The Rotary Club of Waukee is hosting the Waukee Palooza on 8/28/2021 at Centennial Park in Waukee. This is the third year the Waukee Rotary has hosted a musical event. This year's event will have a focus on youth music within the Des Moines metro community. Big Time Grain Company will be headlining the event in the evening. Throughout the day, youth music groups and solo acts will have the opportunity to perform on stage.

#### WHY SHOULD I PARTICIPATE?

- Fun opportunity to perform in front of friends and family. Sound and staging provided by Iowa Sound.
- If chosen to participate, you will be assigned a code for advance ticket purchases. We will keep track of whichever musician sells the most tickets and that musician will receive a two day recording session with Redd7 Studios.
- Our headlining band, Big Time Grain, will be making themselves available for a question and answer session for all participating musicians. Big Time Grain is one of the fastest rising country bands in the Midwest. This act was the sole artist chosen to perform at the Kansas City Royal's World Series Celebration Rally for a crowd of over 800,000 fans. Whatever genre of music you like to play, you will want to hear from this group and their experiences as professional musicians. More details on this to be released closer to the event.
