Miracle League 2026 Corporate Cup Sponsorships Available

The Miracle League is encouraging all companies to prepare for the 2026 Miracle League Corporate Cup March 14-28, 2026 at Texas A&M University Corpus Christi. Sponsorships are available at <https://www.miracleleagueofcorpuschristi.org/mlcorporatecup.html>

This is a great team building and team bragging sports competition featuring over 10 different events with 8 company employee size divisions. Let's turn competition into compassion!

Each Quarter we want to highlight the impact The Miracle League of Corpus Christi has on a player and/or their family. This quarter we introduce Wyatt and Owen.

We are a family of 7. We have three girls and two boys. Both our boys are on the spectrum, Wyatt is 11 and Owen is 6 yrs old. Our boys love to play games and be included with others. The Miracle League of Corpus Christi gives our family that opportunity for our boys to play sports with other children similar to themselves and have a great time while doing it. It is a judgement free zone. They get to experience feeling part of a team where no one judges you based off of your disability, but everyone includes you and just sees you for who you are. Our three girls love to be Miracle League helpers and assist their brothers and other players on the field. Our boys have been blessed to play basketball, baseball, and kickball with the Miracle League of Corpus Christi. We are so fortunate to have this community of amazing people who genuinely care about special needs individuals and want them to be included just like everyone else. The Miracle League truly sees the ability of these individuals and not just their disabilities. We are so thankful for this organization and those who run it, along with all the volunteers who help with games on Saturdays. We are blessed to be part of the Miracle League of Corpus Christi family.

Leading Today, Leading Tomorrow

We are proud to push the limits of sports programming for the special needs population in the Coastal Bend. The more we offer, the more we impact individuals lives, health, and social well-being.

We have 500 players in our database with room to grow. Our goal to to 10X this number by 2030! Help us spread to word!
