A Letter from Our SHE-E-O

Thank God that we made it through our first year in operation! I believe He smiled as we planted intentional seeds that will flourish throughout the community. It is my hope that God will continue to use S.H.E Reigns as a willing vessel to expand His reach and deliver hope in ordained spaces.

When I first received this assignment, the challenges intimidated me, but one year later, I am now confident that I am the woman for the job! This confidence was built through your support and dedication to our mission and vision. Let's continue to build together!

I am forever grateful to the community for entrusting us to accomplish God's vision through this organization. I would also like to thank the Board of Directors, generous patrons, volunteers, and corporate partners for all your efforts to make this first year a success!

As we look towards our second year of operation, we will continue to expand God's reach as we pour into the next generation by providing much-needed education and resources to the community. I invite you to join us in any way that God leads you! It is an honor and privilege to serve, and I pray we continue to thrive together!
