RULES & REGULATIONS

- Sunset Beach Club is available to members only.
- Members are responsible for registering their guests and the conduct of their guests on the beach. (as described in membership application)
- All members and guests must adhere to posted signage and staff instructions while on Sunset Beach Club property
- A current visible badge is required for each person. Any person without a badge must register in "Guestbook".
- Members must adhere to the parking recommendations as highlighted on the Sunset Beach Club website.
- After hours, use of the pavilion for groups must be reserved with the fee paid.
- When pavilion is in use for an event, members will graciously refrain from its use during the reserved time slot.
- SBC is not responsible for any injuries or deaths on the beach or in the swimming area. By accessing the beach or accessing the lake, you accept liability for your safety on SBC Property.
- When you swim, you swim at your own risk. Swimming is confined to the roped area and should only be performed when a lifeguard is on duty. No night swimming allowed. Underwater breathing apparatus is not permitted. No scuba diving will be permitted in the swimming area.
- All children 14 years of age or younger must be accompanied and always supervised by a responsible adult.
- **No diving, no rock throwing, no sand throwing, or sport items of any type. No pets, no alcoholic beverages and no fishing at any time. Glass or breakable containers & fires on the beach are prohibited.**
- No Smoking or Vaping on SBC property.
- Members are allowed to access the beach outside of lifeguard hours using your gate code. If you choose to do so, you accept the responsibility of asking to see badges of those entering the beach OR keeping the gate locked. If you are the last member on the beach in the evening it is your responsibility to lock the gate when you leave.
- Boisterous, immoral, indecent conduct including foul language, and inappropriate clothing or offensive wording on clothing worn on this family-oriented beach, will not be tolerated. Only conventional swim attire and clothing are permitted
- The beach will be vacated during lightning & thunderstorms.
- No feeding the ducks or geese to help reduce exposure to bacteria on the beach and water.

Kayak and Paddleboards

- Kayaks and Paddleboards are the only approved watercraft allowed to be launched. These need to be launched from the right side of the beach.
- **Only members who've rented a berth on the Kayak rack may leave their watercraft on the beach overnight on their assigned rack space.**
- You must use a bike lock mechanism on your stored watercraft. PFDs and paddles cannot be stored on the beach. **SBC** is not liable for any missing or damaged items.
- All members who have rented a rack space agree to remove watercraft from the beach by October 1st unless directors offer a "good weather" extension.
- When launching watercraft from SBC property you are assuming the risk and liability involved with those activities. You are also responsible for complying with PA Fish Commission water safety regulations.

Failure to comply with the rules and regulations will result in loss of beach privileges for the season without refund of membership fees.
