

## CAMPING

Camping is rustic, unreserved & mixed use (vehicles & tents sharing the area). We rent the field from a local cowboy & we appreciate your adherence to these rules. Without use of the field, we will be unable to hold the festival in Harmony as there is not enough parking in town. So please respect the following requirements. Thank you!

For a fee of \$55 for the entire weekend, camping is provided in the field shared with general parking, though separated. A porta-potty, wash-station & trash can will be provided. Water hook-ups & electricity are not available. Campers are expected to be self-contained.

Thursday, Oct 8, entry is permitted @ noon; checkout by Monday, Oct. 12 by noon.

A Camping/Vendor placard should be displayed on your dashboard. It can be obtained from the SCCLT booth. Make sure your camp is clear of any trash. Recycle & Trash bins are in the "town" by the porta-potties.

**Pets:** OK. Please keep them on a leash & pick up their poop. If you have a "barker" camp far away from other campers!

**Quiet Time:** Out of consideration for others, please observe quiet hours from 10 pm to 8 a.m. This includes generators, which must be turned off by 10 p.m. & not on again until 8 a.m.

### **Campfires/BBQs**

**Campfires are NOT allowed. Charcoal BBQs and wood BBQs are also prohibited.**

Propane camping grills and stoves with a shutoff valve are permitted for cooking. Propane fire pits with a shutoff valve are permitted with a 5' cleared area all around, shovel & gallons of H2O nearby provided by you. Propane fire pits need to be lifted off the ground.

I have read and understood this contract. I release the South Coast Community Land Trust (SCCLT) & Robert Soto, Monte Soto & Robert V. Soto Separate Property Trust from any & all liability due to personal loss, injury or property damage, before, during, and after the festival.

If a fire starts as a result of my negligence, I assume responsibility for all suppression costs.
