
DR CARLA COHN

PEDIATRIC DENTISTRY FOR AND FROM THE GENERAL PRACTITIONER

BIOGRAPHY

Dr. Cohn is a general dentist, devoted solely to the practice of dentistry for children. She graduated from the University of Manitoba in 1991 and then went on to complete a post-graduate internship in Paediatric Dentistry. Since then, Dr. Cohn has devoted herself to the care and treatment of children only. She maintains a private practice at Kids Sleep Dentistry Winnipeg and Kids Dental in Winnipeg, Canada. Dr. Cohn is a partner, and has surgical privileges at Western Surgery Centre, a private surgical clinic. In addition to private practice, she is a part time clinical instructor, in Paediatric Dentistry at her alma mater, Gerald Niznick College of Dentistry at the University of Manitoba.

PROGRAMS

Keep the Kids IN your Practice

Lecture and / or Hands On

As a general practitioner, you should be able to care for most of the kids in your practice, without having to refer them out to the pediatric dentist across town. Taking care of your kids should be fun and stress free. Learn how with the most up to date methods and techniques for intra-coronal restorations, primary dentition full coverage, pulpotomies and more. Step by step instructions will be provided to help you become a superstar with the kids and parents in your practice. As Benjamin Franklin said “Tell me and I forget, teach me and I may remember, involve me and I learn” In this course, you will be involved. You’ve heard it before - treat your kids well and your practice will soar.

Course Objectives:

Learn efficient reliable paediatric methods and techniques. Effectively treat anterior and posterior primary dentition decay. Successfully diagnose and treat pulpally involved teeth with new materials.
