

Hello! Jolly Learners! 😊 Welcome! 🙋

I am Aparna Jayaraman, an Official Jolly Phonics Trainer, accredited by Jolly Learning Ltd., UK.

Jolly Phonics is a systematic synthetic phonics program designed to proficiently instruct children in reading and writing in English. It aids children in understanding letter sounds and blending them to create words, which is an essential skill for foundational literacy development. It incorporates activities that cater to diverse learning styles, ensuring it is both engaging and accessible for a wide range of learners.

Jolly Phonics teacher training equips parents, educators, and special needs instructors with the skills to teach young children reading and writing in English through a multi-sensory approach.

The Jolly Phonics offline workshop typically spans two full days and four half days conducted online via Zoom, with flexible scheduling. Participants will receive the Jolly Phonics Teacher's Manual, Pupil Books 1, 2, and 3, as well as a certificate of attendance or participation.

→ Topics covered during the workshop
