

## PIEDMONT CLUB

**P**iedmont varietals are grapes home to Piedmont, Italy, a region in northwest Italy. These include Barbera, Dolcetto, Nebbiolo, Arneis, Moscato, Cortese, and more. We are best known for our Barbera and Nebbiolo, having some of the very first plantings of these varietals in the Pacific NW, and we have Dolcetto and Arneis planted on our property as well. While this region in Italy and the great wines produced there are well-known to serious wine collectors, it is still fairly unknown to many American wine drinkers. Which is why we are so proud to be champions of these unique varietals. Our Barbera and Nebbiolo have caught the attention of wine critics over the years, winning many awards. More importantly, we have had the privilege to introduce these wines to customers all over the country. Congratulations on your Piedmont Club membership!

Your **2026 Spring Piedmont Club** allotment is a comprehensive mix of Piedmont's "Big Three" red varietals- Barbera, Dolcetto, and Nebbiolo. This package contains all three of our newly bottled Barbera wines, our new Estate Dolcetto, and a Reserve version of Nebbiolo. They are all intriguing and delicious, ready to drink now, but age worthy for a future treat. Here is the allotment:

- 2 bottles of the 2024 Blood Red Barbera. Retail = \$90/bottle.
- 2 bottles of the 2024 Estate Barbera. Retail = \$85/bottle.
- 2 bottles of the 2024 Winemaker's Select Barbera. Retail = \$85/bottle.
- 3 bottles of the 2023 Reserve Nebbiolo. Retail = \$75/bottle.
- 3 bottles of the 2024 Estate Dolcetto. Retail = \$40/bottle.

Total retail = \$865. **Club price = \$400. Savings = 54%!**

*With good cheer,  
~All of us Cascade Cliffs Vineyard & Winery*

**2024 Blood Red Barbera**

*Varietals:* 100% Barbera

*Vineyard:* 100% McKinley Springs

*Appellation:* Horse Heaven Hills

*Aging:* 12 months in American Oak

*Cases produced:* 320

*Profile:* Made from the legendary Block 11 section of McKinley Springs Vineyard in the Horse Heaven Hills AVA, this is Barbera at its richest and ripest. The fruit is powerful and jammy on the attack, encompassing and focused on the mid-palate, and long-lasting on the finish. Creamy and luscious flavors of black cherry preserves, sun-drenched berries, and warm maple are followed by a finish that goes on and on. At 17.7 % ABV, our 2024 Blood Red Barbera is not for the weak of heart or the timid.

*Drink:* Now until 2031

**2024 Estate Barbera**

*Varietals:* 100% Barbera

*Vineyard:* 100% Cascade Cliffs

*Appellation:* Columbia Valley

*Aging:* 12 months in American Oak

*Cases produced:* 500

*Profile:* Our latest Estate Barbera hearkens back to a more traditional style of Barbera, freshly bright and zippy, yet still fruity and intense. Mouth-watering flavors of cran-cherry and fresh raspberry are accentuated by a lingering, toasty finish. This might be our most balanced and varietally-correct version of Barbera to date.

*Drink:* Now until 2031

**2024 Estate Dolcetto**

*Varietals:* 100% Dolcetto

*Vineyard:* 100% Cascade Cliffs

*Appellation:* Columbia Valley

*Aging:* 12 months in American Oak

*Cases produced:* 230

*Profile:* Planted in 2005, our Estate Dolcetto has provided a unique element to our Piedmont varietal wines for many years now. This latest version is another classic and varietally- correct style of Dolcetto, medium-bodied, pleasant, and easy-going. Flavors of wild strawberry and brambly fruit are surrounded by soft acidity and tannins, resulting in a versatile, dry house wine that could pair with many types of dishes or utilized for casual sipping.

*Drink:* Now until 2029

**2024 Winemaker's Select Barbera**

*Varietals:* 100% Barbera

*Vineyard:* 100% McKinley Springs

*Appellation:* Horse Heaven Hills

*Aging:* 12 months in American Oak

*Cases produced:* 640

*Profile:* Here's a curveball for all you lovers of Cascade Cliffs Barbera. This is a Barbera made from two specific McKinley Springs vineyard blocks, resulting in a rich, fruit-forward style. Yet, it still shows hints of a traditional Barbera, and is not quite as "jammy" as our Blood Red Barbera. Warm flavors of cherry preserves are followed by a vibrant, mouth-watering finish. The 12 months in barrel give this wine added structure and subtle nuances of toasty aroma and flavor. Here is another classic version of our signature grape and wine, delicious now, but well-suited to age in the bottle.

*Drink:* Now until 2031

**2023 Reserve Nebbiolo**

*Varietals:* 100% Nebbiolo

*Vineyard:* 64% McKinley Springs, 36% Cascade Cliffs

*Appellation:* Columbia Valley

*Aging:* 20 months in American Oak

*Cases produced:* 325

*Profile:* Like most all of our 2023 vintage red wine, our latest RSV Nebbiolo is ripe and generous at an early age. The typical dry character of this varietal is still present, but layered with subtle flavors of wild strawberry and dried cherry. You'll enjoy this wine even more with Italian dishes like wild mushroom risotto or even grilled salmon. Enjoyable now, this wine can also be laid down to gain more complexity in years to come.

*Drink:* Now to 2032
