Record of Child's Personal Property and Valuables

Child's name: _____ DOB: _____

Foster parent(s): _____ Date of child's placement into this home: _____

- List items of **monetary value** like iPods, cell phones, skateboards, bikes, money, jewelry, etc.
- List items of **personal value** like photo albums, a special toy, gifts from bio family, etc. The child, as age-appropriate, should be asked what they want included. Do NOT include clothes, we have a separate inventory form for that.
- The foster parent and the child should both **sign** (exception: if the child is under 5 and too young to sign).
- As the child acquires **new** personal property and valuables, add it and both foster parent and child sign.
- If the child chooses to **dispose** of or give away an item, note that in the area provided then foster parent and child should sign.
- This record needs to be kept in the child's home binder, and a **copy** should be provided to your agency social worker whenever it's updated.

Date	Item	#	Held by child or parent	Parent signature	Child signature	Item disposed of or given away (explain)	Parent signature	Child signature
