Town map for your Caseville Witch Walk Prowl

Caseville Witch Walk Prowl at dusk

The beginning: The walk will begin @ 6:00 (dusk). You may gather your covens beginning at 5:45 to line up behind the designated cones located on Michigan Ave, adjacent to the Wooded Island Grill (6868 Michigan St).

Spectators will be along the route anxiously waiting to see all the fabulously dressed witches, wizards, and warlocks, so make sure they can see you well!

The route this year is a bit longer and will stretch through Main Street and around through the Harbor Drive. (See map)

The end: When you hear the song “The Magic” by Lola Blanc, that will be your cue that The Walk is at the end and you may creep from harbor drive, through the alleys between the buildings, and back to Main Street.

From there please continue to enjoy the food trucks and restaurants with all the great entertainment they have for you!
