DESCRIPTION

Midea FlashChef™ High Speed Oven provides incredible performance where professional cooking is needed. With breakthrough dual impingement system, Midea FlashChef™ High Speed Oven can brown and crisp with ultra fast speed. Dual magnetron with inverter technology enables the Oven to cook or heat the food quickly and uniformly while consuming less energy.

Apart from its impressive performance, Midea FlashChef™ High Speed Oven is also user-friendly. 8" HD TFT touch screen, largest screen in its class, offers the users more content with clearer display. The intuitive and scrollable control panel with auto-top menu function provides phone-like operation, eliminating operating and language barriers. Built-in cavity light allows the users to check the food with brighter view, and Air Filter are easily removed and replaced for maintenance.

With all these features and functions, Midea FlashChef™ High Speed Oven is space-friendly with a large cavity that fits in a 12" (30cm) pizza easily. It comes with different styles to match various environments.
