

**THE MATTRI
GROUP**

ASSET DATA. PERFORMANCE. COMPLIANCE.
What gets measured, gets managed.

CAPABILITY STATEMENT

COMPANY OVERVIEW

The Mattri Group is a Texas-based public-sector firm specializing in asset data accuracy, EAM/CMMS alignment, and maintenance performance tracking across public facilities.

We support EAM platforms, facility contractors, and public agencies by ensuring asset data is structured correctly, maintenance programs are aligned, and performance is measurable and contract-ready.

With experience supporting **63,000+ assets** across **14,000+ facilities**, we help organizations reduce downtime, improve data reliability, and strengthen compliance through clear, actionable reporting.
