April 28, 2020

Greetings,

Usually during this time of year, we are well into the planning and organizing of our Annual Headwaters Golf Scramble fundraising efforts to support the Wildland Firefighter Foundation (WFF). Our fundraising success in past years is based on the sponsors and businesses that support us and are willing to donate money and merchandise to such a great cause. Our highly valued participants that join us each year for our events are also key to our success as well. Due to the COVID-19 pandemic, out of consideration and concern for the health and welfare of our participants, and the economic impacts to local businesses, the organizing committee has decided to cancel the Headwaters Golf Scramble scheduled for May 30, 2020.

This event is one of the biggest fundraisers for the WFF. With many of the other fundraisers also canceling, we are very concerned that the WFF will not have the resources that they need to help the firefighters this upcoming fire season. The WFF's mission is to provide help to the families of wildland firefighters who have lost their lives and to help firefighters that are injured in the line of duty. Due to the impact of these circumstances from the COVID-19 pandemic, the fundraising events cancelled will severely impact the foundation's ability to carry out its mission.

We humbly ask you to please consider a monetary donation to the WFF this year. The work of the WFF will carry on, as will the fire season and our firefighters, despite the current pandemic. There will continue to be wildland firefighters that need our help during the upcoming fire season.

You can make monetary donations directly to the WFF, Teton Chapter, or contact your local area Teton Chapter Representative to see how merchandise can be donated for future fundraising events in lieu of the golf scramble.

Although this year's tournament has been cancelled, we are already planning for next year's Headwaters Golf Scramble for Saturday, June 5, 2021. Be sure to spread the word and compassion to your teammates of this notification.

Thank you so much for your help and continued support, and please stay healthy and safe during these difficult times.

Sincerely,

Teton Chapter WFF
