**May 25, 2021.**

### **COMMITMENT**

*It is a rare opportunity to be grandfather to 5 wee ones... I have vowed to be the best man – except for their fathers - in their lives. I will give them all I can give and then some... I am part of something special.*

*It is also a rare opportunity and extraordinarily special to be part of a project that will change the lives of thousands for a generation. Our church Re – Build is such a time. It affects how ministry will be delivered to you, your family and friends for years to come. There is no knowing when and how we will need the church in the future, but the one thing we do know is that our current commitment will determine what we can do in serving the Lord, bringing hope and healing to all. You can be part of being a game changer by your generosity.*

### **MORE THAN EVER WORSHIP TOGETHER**

These are very difficult days and truthfully, some days are very tough for your church leadership... This is the

time for us to ALL dedicate ourselves to worship no matter what. Make that your weekend priority.

When we gather we gain strength from worship and the fellowship of our fellow Christians. Without you, we will falter and fail. This summer is the time for us all to decide to turn up every Sunday to ensure we stay strong.

**SAVE THE DATES!...** Every **evening at 6:33** join in Facebook prayer, **Wed @ 7:00** in person prayer and **Fridays at 7:00 ZOOM** Prayer. **Sunday June 6** is the most important Sunday ever with the two year financial Commitments received for the Re Build. **Sunday, June 20** is "Reveal Sunday" when the Campaign's results are announced.

### **PRAYING THROUGH IT**

My first parish was very rural; just about everyone was a farmer. The economy was challenging and the pork industry was especially hard hit. I asked one of the men how we would get through this tough time and he replied: "We'll just have to all decide to do our part and eat our way through it!"

We face a huge challenge with the rebuild; both fund raising and planning. We will all have to do our part and pray our way through it so that June 6 we will all be ready to make our 2 – year 'All Things are Possible' Commitment so that the church can be re - built..
