Memorial Day

It's next weekend and we will be observing the day next Sunday. **Please send me your or family members military picture** to show next Sunday. ALSO, invite your friends to tune in to worship LIVE on Facebook. The service is also posted on the church website by noon Sundays.

Upgrade Necessary

We have had to work on upgrading our Live Streaming of worship. The hand held I- phone has limitations and at times the 'feed' is lost.

We have dusted off the high quality video camera from the loft and now must pair it with a dedicated computer for us to effectively continue Live Streaming worship.

The cost is 684.00. If you would like to make a special donation to help towards this extra expense please let Pastor know. Thanks.

WE LOVE BEING TOGETHER

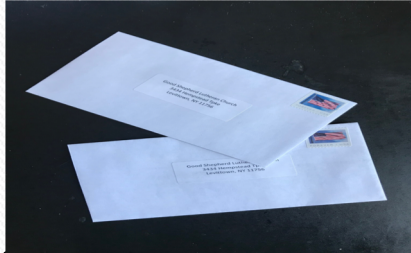

It seems like a lifetime ago that we were together for this picture at Ground Zero in the City.

It was a meaningful day for many of us who vividly recall Sept. 11, 2001. It was a terrible time and at that time many of us wondered if our world would ever return to some state of sanity. It did. God was good and we got through to the other side. Once more, God will lead us triumphantly over our current tragedy.

Any un used ones laying around your house? We hope not BUT if so, please drop them off in the church mailbox next time you are out and about. Thanks. We like pinch ing pennies.

WE WILL BE BACK!

...to our normal crazy selves! It will be done in stages, with 'in person' worship for limited numbers at a time. The exact dates are still to be ascertained. We are following government guidelines.

GARDENING CLUB

As we gradually move back to normal, your Pastor has need for your gardening enthusiasm. No skills are necessary; only a willing heart. Tuesdays from 6:30 – 7:15. Its not long but will make a world of difference. Let Pastor Remo know you will be joining him.
