

A Way to Help the Poor and Working Poor Around Us FOREVER!

Many parishioners know about the good works of St. Vincent de Paul which assist those need within our parish boundaries because those same parishioners are the source of the gifts that SVdP provides. Many parishes beyond our boundaries are not as fortunate as we are and find themselves with few funds at year's end.

A solution to the diminished funds is a SVdP project called the "Vincentian Endowment." Contributions to the Endowment Fund assure that every one of our SVdP chapters or conferences receives an annual check from earned interest so as to continue to assist in the good works for years to come. **Last year, 80 conferences in Central and Northern Arizona, including our St. Clare of Assisi Conference, each received \$1,269 from the Vincentians Endowment Fund.**

You can help grow the Endowment Fund by assisting with monthly or periodic gifts which qualify for the Arizona State Income Tax Credit for up to \$800 per couple each year. (Check with your tax advisor). Bill Klink, a Sun City resident and SVdP conference member, can assist and can be reached at 602-919-0261 or bklink@svdpaz.org. Thank you!
