SUBJECT: Administrative Closure of Enforcement Action

Mr. Albert Masterson  
Payson, AZ 85541

Dear Mr. Masterson:

I am contacting you regarding the alleged violation (Corps file number SPL-2020-00561) issued to you on October 5, 2020 for potential unauthorized activities conducted by you or your contractors in East Verde River within the community of Beaver Valley Estates, Gila County, Arizona.

Following an investigation by my Regulatory staff and review of the information you provided in response to the alleged violation, I have determined this action does not require any further regulatory enforcement proceedings. The work conducted did not result in a discharge of dredged or fill material into the East Verde River and no Section 404 Clean Water Act permit was required. Therefore, I have elected to administratively close this enforcement case at this time.

I appreciate your cooperation in bringing this alleged violation to resolution. If you have questions regarding this matter, please contact Kathleen Tucker at (602) 230-6956 or via email at [Kathleen.A.Tucker@usace.army.mil](mailto:Kathleen.A.Tucker@usace.army.mil).

Sincerely,

A handwritten signature in blue ink that reads "Sallie Diebolt".
