COVID UPDATE PER DIOCESE... Considering increased cases from the Delta variant, more inquiries have been coming in regarding whether new diocesan-wide mandates will be instituted in churches. We continue to monitor the regional COVID situation and remain in consultation with Catholic infectious disease specialists. As of now no changes are planned, so the directives from May (diocesefwsb.org) still stand. "Anyone (whether vaccinated or not) with a cough or fever, or who may otherwise be feeling sick, should still remain home." Thank you again for your continued attentiveness to the pandemic response. There seems to be founded hope that COVID will reach a more stable, endemic level in the coming months, which hopefully means we would see an end to very dramatic surges in cases.

LECTORS AT MASS... We are asking for readers at Mass. Is there anyone interested in reading?? Any students (8th grade and beyond) that would be interested?? A workbook is provided for you to review during the week. You would not be scheduled every week. All Masses are short on readers so you would have your choice. Contact the office. Please consider this ministry!!
