FISH FRY AT ST. PAT'S

It is time again for our annual **Fish Fry on Friday February 20th. Starting at 4:00 pm EST until the fish is gone.** This is our largest fundraiser for our Parish and would not be successful without the help of volunteers. This is a great opportunity that the whole family can participate in. If you did not receive a volunteer form, there are copies in the back of the church for you to pick up. There is dine-in and carry-out available. **Meals are \$15 for adults, \$8 for kids 6-10 years, and under 6 are free. Please note: Carry-out meals are only available through the car line.**

Featuring caller Avery Arnold who will walk us through the steps to spinning your partner, and Do-Si-Do! No experience needed. Cash bar and heavy hors d'oeuvres will be available. This is a free will donation and the public is welcome. **RSVP by calling TJ Borton at 574-229-6288, or the Parish Office at 574-586-7152 or email info@saintpatricks.church.**

SAINT OF THE WEEK

SAINT AGATHA (died 251)

February 5

"Of noble birth and great beauty," so the ancient accounts describe Saint Agatha, martyred during an early persecution for refusing a powerful Roman's offer of marriage, since she had consecrated her virginity to Christ. An early preacher, Saint Methodius, reflects instead on her name, noting that, in Greek, Agatha means "good," goodness being something we can all strive for, nobly born or common, blessed with beauty—or not! So brutal were the tortures that violated her youthful innocence, Agatha, like Agnes and several other women martyrs, was honored from time immemorial by having her name inscribed in the Roman Canon (Eucharistic Prayer I). Long invoked as protector against earthquakes—Mount Etna erupted as she was being tortured—recent attention has focused on the particularly cruel torture decreed for Agatha, the cutting off of her breasts. This has inspired cancer survivors to promote Saint Agatha as patron and intercessor for women courageously facing breast cancer, for their families and the multitude of supporters who participate in fund-raising marches and races, and, of course, for the dedicated researchers who seek a cure.
